Consent Agenda Item (Action Item): Proposal to approve the creation of a Principal for the Floyd County Early College Academy.

Applicable State or Regulations: BOE Policy 01.11 Powers and Duties of the Local Board of Education.

Budget/Financial Issues: The General Fund will pay the salary which is based upon the certified salary table for the person selected.

Background and Rationale: The academy has had several models over the years for both Program and direct student supervision. It is determined that a principal is in the best interest and it makes the program equitable to our Renaissance Learning Center and Stem College Academy both of which have a Principal.

Recommended Action: To approve as presented: create a principal position for the FCECA.
