"This year will certainly be one to remember. I choose to remember the incredible efforts by TEAM KENTON to ensure our kids continued to receive outstanding educational opportunities during an unprecedented time.
It is equally important to remember and thank our parents/families and community members for their incredible support. Our TEAM KENTON community is strong!
Lastly, I am very proud of our kids! I will always remember the patience, resiliency and perseverance that our kids displayed this year. To our seniors, we will miss you! While not a traditional ending, the 2020 class is a very special class for KC! We wish you the best!"

-Superintendent Dr. Henry Webb, 5/12/20
