Re: STARS Childcare Bonus

I would like to request that a \$400 one-time bonus be given to childcare workers at locations that have earned 4 stars and a \$500 one-time bonus for 5 stars. This would include workers and supervisors at Bend Gate and Spottsville who received this recognition for 4 stars in February and Cairo who previously received this recognition. Kentucky All Stars is a five-star quality rating and improvement system for early care and education programs. It is based on Kentucky's Early Childhood Standards and research-based indicators of quality and recognizes programs that have made a commitment to continuous quality improvement. At this time with the guidelines, we are unable to attain 5 stars. The monies would come from our childcare STARS funds. Board approval is needed in order to add this to the stipends through human resources and finance. Thank you for your consideration. Please let me know if any further information is needed.

The mission of Henderson County Schools is to provide extraordinary educational opportunities for every student.
