

**Dual-Credit Memorandum of Agreement
between
Northern Kentucky University
and
Gallatin County Schools**

I. Purpose

This Memorandum of Agreement (MOA) establishes a collaborative relationship between Northern Kentucky University (NKU) and Gallatin County Schools to offer dual-credit opportunities for secondary school students who meet the requirements for admission into NKU's School-Based Scholars Program. This agreement incorporates by reference the stipulations included in KY HB 206 (2017), which continues the Kentucky Dual-Credit Scholarship (DCS) Program and is managed by the Kentucky Higher Education Assistance Authority (KHEAA).

II. Definition of Dual-Credit Program

Northern Kentucky University's Dual-Credit Program, School-Based Scholars (SBS), allows high school students to enroll in college-level courses offered by a college and simultaneously earn credit towards high school graduation and/or a postsecondary degree (these courses may be academic, but not remedial or developmental). Students must also meet course prerequisites. Specific to the SBS program, courses may be offered at a high school, online or a designated NKU campus.

III. Participation in the Dual-Credit Program

a. Admissions Policy

The following groups of students are eligible for this program if they meet the following requirements:

1. High school juniors and seniors:
 - Must have a high school unweighted GPA of 3.0 or higher.
 - Must have a composite ACT score of 20 or higher.
 - Students who do not have an ACT score may submit an equivalent SAT score.
 - Students who do not have an ACT or SAT score may be admitted into the program with their GPA and a letter of recommendation from an educator certifying their belief in the applicant's academic and emotional capability to participate in college courses; however, eligible courses will be limited based on prerequisites for individual courses.
 - Must meet any course prerequisites.
2. High school sophomores:
 - Must have a high school unweighted GPA of 3.0 or higher.
 - Must meet any course prerequisites.
 - Must only take courses offered at their high school unless granted an exception as noted below.

Students interested in dual-credit at NKU must complete a School-Based Scholars application packet (online application, disclosure, transcript and test scores). Completed School-Based Scholars application packets do not guarantee admission into the program. All applications will be reviewed by the School-Based Scholars office. A copy of the disclosure form is provided in Appendix A.

All applications must be completed by the student and submitted in their entirety by the high school counselor (or responsible contact) by August 1 for the fall semester and by December 1 for the spring semester. If the student's qualifications do not qualify for the SBS program by those deadlines, they will not be admitted for that intended semester.

Admission exceptions:

- All requirements in this policy for dual-credit participation are the requirements for NKU. If a high school wishes to impose additional requirements for participation in dual-credit courses, those requirements will be enforced.
- Students who have a GPA between 2.8 and 3.0 and/or a composite ACT score of 18 or 19 (or its equivalent) may apply for the program and submit a letter of recommendation from an educator certifying their belief in the applicant's academic and emotional capability to participate in college courses for admission consideration.
- Sophomore students will be limited to only taking classes offered at their high school.
 - Public or private high school sophomores who wish to take an online or on-campus course must petition the Vice Provost for Undergraduate Academic Affairs by submitting with their application to the SBS program:
 - A letter of intent from the student outlining their academic plan for taking courses online or on-campus (e.g. what course(s) they're trying to take and how that will further their academic goals).
 - A letter of recommendation from their high school's principal certifying their approval for the applicant to participate
 - A letter of recommendation from a high school educator certifying their belief in the sophomore applicant's academic and emotional capability to participate in college courses.
 - Home-schooled high school sophomores who wish to take an online or on-campus course must petition the Vice Provost for Undergraduate Academic Affairs by submitting a letter of intent with their application materials explaining why they believe they should be provided with an exception. This document should be submitted with each student's application to the SBS program.
 - Students must still meet any course prerequisites.
- High school freshmen are unable to participate in the School-Based Scholars program, unless:
 - They petition the Vice Provost for Undergraduate Academic Affairs by submitting with their application to the SBS program:
 - A letter of intent from the student outlining their academic plan for taking courses online or on-campus (e.g. what course(s) they're trying to take and how that will further their academic goals).
 - A letter of recommendation from their high school's principal certifying their approval for the applicant to participate
 - A letter of recommendation from a high school educator certifying their belief in the sophomore applicant's academic and emotional capability to participate in college courses.
 - Home-schooled high school freshmen who wish to take an online or on-campus course must petition the Vice Provost for Undergraduate Academic Affairs by submitting a letter of intent with their application materials explaining why the student should be provided with an exception. This document should be submitted with each student's application to the SBS program.
 - Students must still meet any course prerequisites.

b. Continued Enrollment

Once in the program, students must earn a grade of C or better in each of their classes to progress to the next semester prior to high school graduation. In certain circumstances, students who fall below this requirement may petition the SBS program for continued enrollment.

Grade appeal process:

- Students who receive a grade of C- or lower must sit out the following semester and then apply for reinstatement using the SBS Reinstatement Application. Students may obtain a copy of the application by contacting the SBS office at nkusbs@nku.edu. This process is designed to give students the opportunity to improve their skills in the high school toward their college readiness so they can be successful in future dual-credit classes. It is also aimed at preventing students from doing further harm to their college GPAs.
 - Students who wish to appeal the SBS program's decision have the following options available, which are consistent with the University's policies:
 - Grade Appeal – Students who believe their final course grade is inaccurate, or based on factors that were not included in the grading policy, may appeal the grade. Students must initiate the appeal of the grade no later than fifteen (15) working days after the last date for faculty to submit grades. Each appeal should be addressed to the faculty teaching the course(s) in question. The grade appeal process is outlined entirely in the NKU Undergraduate Course Catalog. To be considered, the grade appeal must meet one or more of the following conditions:
 - The method for determining the final course grade conflicts with the grading policy per the course syllabus or other announced grading policies.
 - There is an alleged mathematical error in calculating the final course grade.
 - There is evidence that the final course grade is based on something other than performance in the course.
 - Repeating Courses – Students who receive a "D+," "D," or "F" in any of their SBS courses may petition the SBS program to permit them to retake that specific course if it is offered.
 - If a student wishes to retake the course in which they received the aforementioned grades, they will only be permitted to take retake that course upon reentry into SBS. If a student chooses to retake the course, they will need to write an email or letter to the SBS program (nkusbs@nku.edu). The letter should address why the student believes they had academic difficulties in that course and why they believe they will be successful in the course this time around. Once reviewed, the SBS program will notify the student and school counselor contact at the high school prior to the start of the following semester.
 - Students may refer to the policy on "Repeating a Course" in the NKU Course Catalog for information on how this can impact the grade on their NKU transcript.
 - Repealing SBS decisions on program removal – Students who wish to contest their removal from the SBS program due to their grades not meeting SBS policy

may petition the SBS program to permit them to continue in the program. Petitions may be emailed to nkusbs@nku.edu and should address why the student believes they had academic difficulties in that course, why they believe the decision to be removed from the program should be overturned, and why they believe they will be successful in the SBS program upon reinstatement. Once reviewed, the SBS program will notify the student and school counselor contact at the high school prior to the start of the following semester.

IV. Dual-Credit Courses

a. Course Offerings

Northern Kentucky University and Gallatin County Schools have agreed to work collaboratively to provide the following course schedule during the fall 2020 and spring 2021 semesters:

<u>Class Location</u>	<u>Type of Instructor</u>	<u>Days</u>	<u>Times</u>	<u>Fall 2019 Course</u>	<u>Spring 2020 Course</u>
Gallatin County	High School	TBD	TBD	MUS 100: Music Appreciation	TBD

Additionally, students are permitted to take courses online or on NKU's campus.

For students taking courses at their high school, an orientation will be scheduled at the high school with their counselor for students to receive their username and any password, registration, tuition, textbook, and email information. An additional orientation for on-campus courses will be held prior to the start of the fall and spring semesters. An additional orientation for online courses will be held prior to the start of the fall semester. All on-campus and online students will receive the orientation presentations, materials and student handbook prior to the start of class via their NKU emails and accessible through the SBS website.

Once students are enrolled in a course, they will have an official academic record at NKU. After each add or drop deadline during the fall and spring semesters, the SBS office will send a roster of registered NKU dual-credit students to a designated high school counselor at each high school with the expectation that the rosters will be verified with the high school's records and the school districts will submit any changes to KHEAA, as necessary.

NKU reserves the right to cancel a class that does not meet enrollment targets or alter the proposed course list based on faculty availability.

b. Academic Quality

Dual-credit courses taught in the high school, both by a NKU faculty or a NKU-credentialed high school faculty, shall meet the rigor for postsecondary credit and be congruent with the University's normal offerings. Classes offered in the high school settings shall conform to the University's academic standards. Faculty for all dual-credit courses shall be approved by the appropriate department at the University and meet all SACSCOC credentialing requirements. Qualifications required by academic departments may vary.

In addition, NKU will provide a faculty liaison for newly-credentialed high school faculty for every semester that they teach a new course for NKU in the SBS program. All high school faculty (or a

designated high school representative) will be required to attend a Faculty Development Day held at NKU by the SBS program each school year or the proposed course may be cancelled.

V. Negotiated Costs and the KY Dual-Credit Scholarship (DCS)

a. Tuition Rate

The tuition rate for all eligible participating SBS students from any Kentucky school district will be set in accordance with the Commonwealth of Kentucky's regulations each academic year. The tuition rate will be posted on the School-Based Scholars website and shared with high school counselors when determined.

NKU's Student Account Services department will send an electronic bill to the SBS students' NKU email addresses prior to the start of the semester. All students are expected to pay their tuition by the first day of classes. Students who are receiving the Kentucky Dual-Credit Scholarship will be reimbursed for those funds once KHEAA dispenses the DCS funds to NKU. Students who do not earn the DCS and fail to pay their tuition could face the inability to register for future classes and/or request transcripts.

Gallatin County Schools will be responsible for transmitting all data required by the Kentucky DCS Program to KHEAA and following all procedures necessary to administer the DCS. NKU will be responsible for transmitting enrollment verification and final grade reports to KHEAA at the end of each semester, in accordance with the DCS procedures.

b. Related Course Expenses

According to KY HB 206 (2017), the Participating Institution (NKU) "charges no more than the dual-credit tuition rate ceiling per credit hour, including any fees, for any dual-credit course it offers." The following additional charges associated with operating a college course will be allocated as follows and agreed upon by NKU and Gallatin County Schools:

Expense	Responsible Party	
	NKU	Gallatin County Schools
Laboratory and other fees associated with specific courses	X	
Professional liability insurance	For NKU faculty	For Gallatin County Schools faculty

Participating high school students will be responsible for the cost of textbooks, digital content, or eResources unless otherwise covered by the Gallatin County Schools. This information is shared with students prior to the start of the semester and may be accessible through NKU's Bookstore website.

c. Unsuccessful Students

Per KY HB 206, the DCS will only reimburse 50% of the cost of tuition for students who do not successfully complete any course in which students were to receive the DCS. Although the university incurs costs associated with teaching the course regardless of student performance, the remaining 50% will be absorbed by the university.
