Date: June 4, 2020

Consent Agenda Item (Action Item):

Approve agreement between the Floyd County Schools and Academic Edge for the purchase of the online learning programs of Lexia and Reading Plus for the 2020-21 School Year.

Applicable State or Regulations:

Policy 0.1.11 General Powers and Duties of the Board

Budget/Financial Issues:

The Floyd County School District received funding from the CARES Act including money from the "GEARS" funding. GEARS funding is designed to assist specific aspects of returning to school, which also includes online learning. GEARS will be used for the purchase of this program, thus causing no adverse effect upon the General Fund.

Background and Rationale:

Lexia and Reading Plus are excellent sources for support in reading. Several schools within the District are already utilizing these programs. This agreement will allow all schools to have access to the program that will not only assist with online learning, but will help serve as both an acceleration and remediation program for all learners.

Recommended Action:

Approve the Agreement.
