Memorandum

To: Marganna Stanley, Superintendent
Henderson County Board of Education

From: Kasey Wolfe

Subject: 2020-2021 Calendar Change

In December of 2019 the Henderson County Board of Education approved the original, traditional 2020-2021 Calendar. In May 2020, Governor Beshear requested all school districts consider the possibility of an early start (July) calendar, a traditional calendar, and a late start calendar.

I request that the original, traditional calendar be amended to reflect an August 26, 2020 start date. By starting on August 26 this will enable Henderson County Schools to use a *variable instruction calendar* referenced in KRS 158.070. A variable instructional calendar will require all students to have 1062 instructional hours but not require all students to meet the 170 school day requirement.

By starting on August 26, 2020 students will have 1062 instructional hours on the 164th day of school therefore making the last day for students May 18.

The mission of Henderson County Schools is to provide extraordinary educational opportunities for every student.
