Have all teachers on the same platform ie. Google classroom instead of some on Google Classroom and others on their own websites.

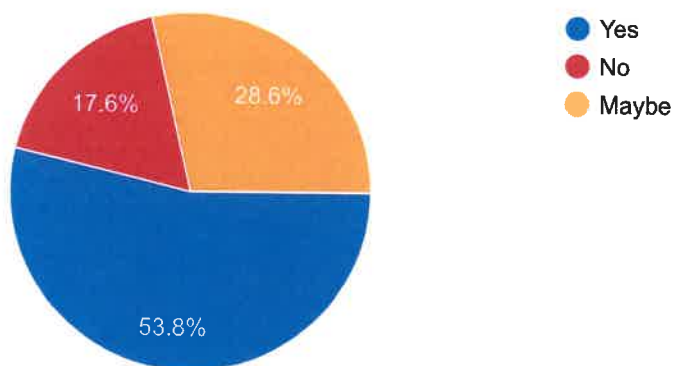

Not doing it

Do what works And they learn with, and less busy work.

8th and 6th graders do a six weeks on , and in that time they are off They could do "NTI" While the 7th graders are in school. The same with the high school every one will be Do the same 12 and 9th 6 weeks on then 11-10 six on sex week off with "NTI"

We are immunocompromised

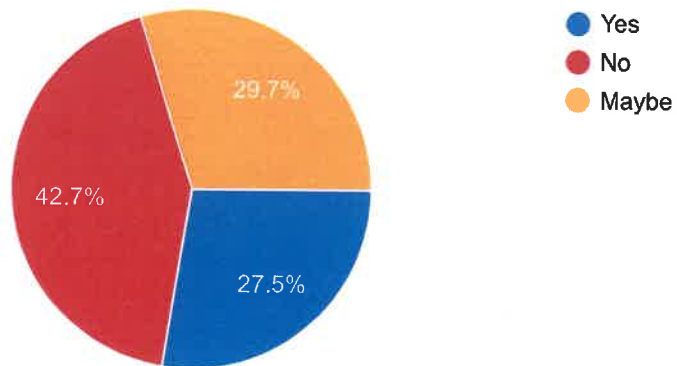

Social interaction that humanize us as a human being.

Considering the constant sickness kids pass around and that there is not a vaccine at this time for the coronavirus, I don't feel comfortable with my kids at school, in person.

I don't feel there is any way it will be safe for my son to social distance from classmates in the classroom , lunchroom or restroom. I feel it will be hard for

If available, would you prefer a virtual (all on-line) option for your child to start the 2020-2021 school year?
