RE: Student Accident Insurance Proposal - - - 2020-21

Dear Mr. Turner:

THANK YOU for allowing us, for the past several years, to provide your students with accident insurance.

Because your claim history is currently favorable, I'm pleased to advise you that we can renew your current program with a 2% RATE DECREASE (from \$21,541.00 to \$21,110.00), contingent upon our receipt of your authorization to renew, prior to February 28, 2020. Also, we can increase your Physical Therapy benefits from \$50.00 per visit (10 visit limit per injury) to \$75.00 per visit (15 visit limit per injury).

Further, we can "lock-in" your rate decrease and physical therapy benefit increase for two years (2020-21 & 2021-22), contingent upon our receipt of your authorization to renew, prior to February 28, 2020.

The payment(s) of premium will not be due until the beginning of the new policy term.

To confirm continuation of your student insurance program, please complete and forward, to us, the EXTENSION REQUEST form. If you have questions regarding your program, please contact me.

I appreciate your business and we look forward to continuing to work with you and the Newport Independent Schools.

Sincerely,

John Joy
