Disclosure Pursuant To Terrorism Risk Insurance Act Terrorism Coverage Notice

Welcome to SECURA. Thank you for the opportunity to protect you with solid, reliable insurance for your business.

The Terrorism Risk Insurance Program Reauthorization Act of 2015 mandates that we make certain terrorism insurance available to specified policyholders provides instructions on how policyholders can respond, and specifies methods of potential future surcharges.

Terrorism-Related Losses

You should know that coverage provided by this policy for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law as follows:

Calendar Year	Aggregate Insured Losses	Government Payment
2015	\$100,000,000	85%
2016	\$120,000,000	84%
2017	\$140,000,000	83%
2018	\$160,000,000	82%
2019	\$180,000,000	81%
2020	\$200,000,000	80%

When the Insured Losses occurring in a calendar year exceed the stated Aggregate amount, the United States Government would pay the percent shown of our Insured Losses that exceed our Insurer Deductible.

The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government.

Cap On Our Participation In Payment Of Terrorism Losses

If aggregate insured losses attributable to terrorist acts certified under the Act exceed \$100 billion in a Calendar Year and we have met our insurer deductible under the Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion. In such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Policy Types Excluded

The following lines of insurance are not covered by the Act:

- Commercial Auto
- Crime Division of any CP policy
- Stand-alone Employment Practices Liability or Professional Liability policies.
- Farmowners policies

Statutory terrorism coverage is excluded and not available for these lines of insurance.

Premium For Terrorism Risk Insurance Act Coverage

The premium for statutory terrorism coverage on this policy is shown as a separate item on the policy declarations page or disclosure schedule.

Federal Recoupment Provisions

The funding for the portion of loss covered by the federal government is under the direction of the U.S. Treasury Department. General tax revenues are initially used; however, partial recovery is allowed via a policyholder surcharge.

The current Federal Recoupment Surcharge is 0%.

The Federal Recoupment can be instituted at any time and applies even if you reject the statutory coverage.

Conditional Exclusions Continue To Apply

The Terrorism Risk Insurance Program Reauthorization Act of 2015 extends the provision to offer terrorism coverage until Dec. 31, 2020. The continuation of coverage beyond that sunset period will be determined in the future by Congress. The attached Conditional Exclusion of Terrorism endorsements become part of your policy. The provisions apply as follows:

If the Act, including federal funding, is extended with essentially similar terms:

The current terrorism coverage continues without change beyond Dec. 31, 2020.

If the Act, including federal funding, is not extended with essentially similar terms, and the Act is allowed to expire Dec. 31, 2020:

The Conditional Exclusion endorsements supersede the terrorism endorsements upon expiration of the Act. The policy will then not pay for terrorism when one or more of the following is attributed to an incident of terrorism:

- Nuclear, biological, chemical, or radioactive materials are released or dispersed.
- Damages to all types of property in the coverage territory exceed \$25 million. Your state law may require an exception covering certain fire losses.

Your workers compensation policy will continue to provide coverage for losses dictated by state law subject to all terms, definitions, exclusions and conditions in your policy.

Please carefully read the policy, including any Conditional Exclusion of Terrorism endorsements which are part of your policy.

Terrorism Coverage Pricing

The terrorism coverage pricing for any policy term that will take effect prior to the expiration of the Act contemplates the partial period of coverage. We will not charge more premium if the Act is extended again. We will not return premium if the Act is allowed to expire.

Help Is Just A Phone Call Away

To explore all coverage and pricing opportunities available to you, or if you have questions concerning your rights, we encourage you to contact your SECURA agent.

POLICYHOLDER NOTICE

Kentucky Non-Profit 501(c)(3)

Exemption to Municipal Insurance Tax and Premium Surcharge

This summary is provided as a matter of information only. This summary does not affirmatively or negatively amend, extend, or alter the coverage afforded by your policies. Please consult business management professionals (including tax advisors) or the referenced governmental agency for additional questions or clarifications about the tax information provided. This Policyholder Notice should not be considered tax advice.

As a service to our policyholders, SECURA Insurance has obtained an authoritative opinion directly from the Commonwealth of Kentucky Department of Revenue regarding the exemption for 501(c)(3) businesses' payment of municipal taxes and premium surcharges. As of May 10, 2010, the following understanding applies:

Kentucky Statute **136.392 Premium surcharge**, specifically (5)(b), reads as follows:

(5) The insurance premiums surcharge provided in this section shall not apply to premiums collected from the following:

(b) Resident educational and charitable institutions qualifying under Section 501(c)(3) of the Internal Revenue Code;

Based on this statute and provision, it is clear that 501(c)(3) institutions are exempt from premium surcharge. This position also applies to any municipal tax.

Please contact the Kentucky Department of Revenue with any questions or for direct clarification on the matter:

Cheryl Hunt 1-502-564-4810, extension 9305

Brenda Smith 1-502-564-1649

The Commonwealth of Kentucky recommends insurance companies have documentation on record that these insureds are in fact 501(c)(3) institutions to support potential audits. SECURA Insurance requires any of the following documentation types prior to exempting an insured from any surcharge or tax:

- ▶ Copy of your Non-Profit Certificate
- ▶ Articles of Incorporation
- ▶ Copy of Form 990 Return of Organization Exempt From Income Tax
- ▶ Online website source such as
 - Guidestar: <http://www2.guidestar.org/NonprofitDirectory.aspx>
 - Melissa Data: <http://www.melissadata.com/lookups/np.asp>
 - National Center for Charitable Statistics: <http://nccsdataweb.urban.org/tools.php>
- ▶ Named Insured website referencing 501(c)(3) filing status
- ▶ Named Insured brochure referencing 501 (c)(3) filing status

We hope this clarification is useful to your non-profit organization in using the tax exempt status the law provides to you. We look forward to serving your non-profit insurance needs.

PURCHASE EXEMPTION NUMBER: B26881

EFFECTIVE DATE: 08/11/2014

Dear Sir or Madam:

Based on the information submitted in your Application for Purchase Exemption - Sales and Use Tax, you are hereby authorized to purchase tangible personal property or services, including utilities, without paying or reimbursing the vendor for the sales or use tax with respect to such purchases.

Your vendor is hereby authorized to sell tangible personal property or services, including accommodations and utilities, to you without receipt of sales or use tax, provided the vendor receives a copy of your purchase exemption certificate, Revenue Form 51A126, and retains the copy in the business's records. Every invoice should show that delivery was made to you and should bear the exemption permit number shown above. The vendor may deduct receipts from these sales on Line 4 of his/her return.

If any of the property purchased is not used within the exempt function of your charitable, educational, or religious institution, you will immediately report and pay the required tax measured by the purchase price of the property (you must contact the Department of Revenue immediately if such a situation arises). Any official or employee of the institution who uses official position to make tax-free purchases for personal use, or that of any other person, will be subject to the penalties provided in KRS 139.990 and other applicable laws.

This exemption authorization applies only to purchases made by your organization. If you are a nonprofit charitable, educational, or religious institution making retail sales of tangible personal property, a sales and use tax permit must be obtained for reporting and remitting the tax on such sales. For further information refer to the enclosed fact sheet. In addition, this authorization does not exempt your agency/organization from motor vehicle usage tax when purchasing a vehicle or a drive-it tax when renting a motor vehicle.

In the event there is a change in your name, address, or operations from the information submitted in your application, you must notify the Department of Revenue in writing of the change immediately.

If you require additional information or assistance in this matter, please contact the undersigned at: Department of Revenue, Division of Sales and Use Tax, Station 67, PO Box 181, Frankfort, KY 40602-0181, or call 502-564-5170.
