Requirements for Reporting to Kentucky Teachers Retirement System:
Please note that, if contractor is a current retiree of the Kentucky Teachers Retirement System (KTRS), or proposes to use a current or potential retiree of KTRS to perform any work under any contract, this may have an adverse impact upon retirement benefits for that retiree. This would occur, regardless of whether a contract is awarded to the individual directly, or to another legal entity for which the individual works.

Accordingly, if a contractor proposes to use such individuals to perform the work, the contractor is strongly encouraged to check with KTRS to determine what requirements apply, before entering into a contract. The KTRS help desk number is 1-800-618-1687.

Furthermore, as a condition of any successful contract award, any information on such retirees (as defined and required by KTRS) must be submitted prior to any services being performed by said individuals under this contract.

As a firm condition of this contract, any contractor agrees to be financially responsible for any failure by such current or potential retirees to properly report information concerning their retirement status, during the life of any contract awarded.

*Compensation information is not already available to the public.

This contract authorizes funding for the contract period based upon the availability of funds.

The Kentucky Department of Education reserves the right to withhold or cease funding for non-performance, or breach, during the life of the contract, if it is in the best interest of the Commonwealth to do so.
