CONTRACT FOR SERVICES  
WITH BOONE COUNTY HIGH SCHOOL  
2020-2021 SCHOOL BASED COUNSELING PROGRAM

I know there is uncertainty about what the upcoming school year will look like. Catholic Charities will continue to provide telehealth and phone sessions as long as needed.

The School Based Counseling Program booklet describes the services to be provided to Boone County High School Elementary School throughout the 2020/2021 school year. Although the actual cost of the program is \$36,000, we are providing the program to you for \$0.00 pending full funding provided by the Boone County Fiscal Court.

In order to assure staffing needs, please sign and return one copy along with the Rights and Responsibilities and Business Agreement by **May 22, 2020**. If you have any questions or problems throughout the process of completing this service contract, please feel free to contact us.

*I have read the School Based Counseling Program booklet and accept the responsibilities listed therein as well as the payment plan outlined above.*
