**Complete question 47 if the response to Question 8 is (d), (e), (f), (g), (h), (i), (j) or (k) is YES or the receiving school is applying for a discretionary waiver of the period of ineligibility from the ruling officer (Question 11). By responding Yes to question 48, I am attesting that I have reviewed all sources of information and that none of the situations listed below in (a), (b), (c) or (d) exist.**

A waiver of the period of ineligibility is not required for a student satisfying one of the exceptions in Sec. 2 if documentation exists in the record that the transfer is motivated in whole or part by a desire to participate in athletics at the new school. This documentation of actions occurring anytime after enrollment in grade nine (9) includes but is not limited to:

- a) A coach employed at the receiving school, paid or volunteer at any level, or another employed individual, paid or volunteer at any level, who is acting in a coaching role including instruction or training of any type and who, before the transfer of the student:
- (1) Coached the student at a former school;
  - (2) Provided sport-specific instruction (paid or unpaid) without the expressed consent of the prior enrolled school;
  - (3) Coached the student on a nonschool (i.e., AAU, American Legion, club settings, summer program, etc.) team;
  - (4) Provided general athletic or activities instruction, including weight training and supervised conditioning without expressed permission from the prior enrolled school; or
  - (5) Provided housing or assistance with housing.
- b) The student in question or family, before transferring to the new school:
- (1) Received impermissible contacts or improper benefits as defined in Bylaw 16;
  - (2) Sought to be coached by the coach(es) at the new school;
  - (3) Expresses dissatisfaction with the philosophy, policies, methods, or actions of a coach or administrator about interscholastic athletics;
  - (4) Sought additional playing time or opportunities or having shown dissatisfaction with the amount of participation or role of participation at former school;
  - (5) Resided with any athletic coach or any other non-relative who is a member of the school athletic or administrative staff or team member (including parents and boosters); or
  - (6) Has had all or part of the housing or residence logistics influenced, coordinated or manipulated by a member of the school athletic or administrative staff or team member (including parents and boosters);
- c) The change in schools is to nullify or circumvent:
- (1) Documented obligations (including financial obligations) to the sending school;
  - (2) Implementation of Board of Education, School-Based Decision Making or school-imposed policy which would have resulted in the student's ineligibility at the sending school by KHSAA Bylaws or Competition Rules; or
  - (3) A conflict with the philosophy or action of an administrator, teacher, or coach relating to sports.

47	I have verified that the situations listed above that would restrict a waiver for those satisfying the discretionary provisions of the rule do not exist.	YES		NO
