
BYLAWS OF THE KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION GOVERNING HIGH SCHOOL PARTICIPATION (GRADES 9-12)

BYLAW 1. RESPONSIBILITY FOR ELIGIBILITY

Sec. 1) PRINCIPAL REQUIREMENT AND INSTITUTIONAL CONTROL

- a) The Principal of a school shall be held ultimately responsible in all matters in the school that concern eligibility, and interscholastic athletics, and shall ensure that institutional control over the athletic program is maintained.
- b) The member school principal is ultimately responsible for all aspects of the athletic program, whether it is rules enforcement and reporting or eligibility certification.
- c) Each member school through its Principal and Designated Representative exercise the principles of institutional control in order for the Association to continue as a fully functioning membership organization and in order for the school to remain a member.
- d) There are several principles that go into the concept of maintaining institutional control:
 - (1) Control shall first be defined in common sense terms and is best summarized by the school having in place the proper policies to ensure that violations do not occur, and if they do occur, the Principal exhibiting the leadership and duty to correct the problems and prevent recurrence.
 - (2) In general, violations do not result from a lack of institutional control if there are adequate preventive measures in place that are properly monitored and followed, and if swift action is taken.
 - (3) Several factors demonstrate a lack of institutional control including, but not limited to:
 - a. failure to implement proper preventive procedures;
 - b. failure by members of the designated athletic staff to thoroughly investigate and report violations;
 - c. failure to adequately disseminate and distribute compliance information;
 - d. failure to adequately distribute compliance duties to allow for effective control;
 - e. failing to make clear to all coaches and participants that rules violations will not be tolerated;
 - f. failing to fully investigate and file reports as requested when potential violations are reported; and
 - g. a head coach failing to create a compliant atmosphere with the assistant coaches.
- e) The KHSAA staff is to enforce the rules based on the following general premises:
 - (1) KHSAA regulations and information are readily available to the member schools and the general public;
 - (2) the Principal or Designated Representative properly distributes information, rules manuals, communication, forms, and other needed materials to the members of the athletics staff;
 - (3) that meaningful education programs are conducted within the schools to ensure compliance; and
 - (4) Student-athletes are properly informed about rules prior to and during participation.
- f) The compliance history of a school and its cooperative spirit during any investigation or inquiry will factor into any penalty decision regarding violations as sanctions under Bylaw 27 are being considered.

Sec. 2) DESIGNATION OF DESIGNATED REPRESENTATIVE

- a) The Principal of each member school may annually designate an individual at the school to serve as the Designated Representative to conduct the interscholastic program at that school.
- b) The Principal or Designated Representative shall sign all forms requiring an authorized signature.
- c) If a member school principal fails to make the designation before August 31, the building principal shall automatically be the Designated Representative for the current year.

BYLAW 2. AGE

Sec. 1) AGE RESTRICTION

- a) Under KRS 156.070 (2) (e), a student who becomes nineteen (19) years old before August 1 shall be ineligible for interscholastic athletic competition at a KHSAA member high school.
- b) A student who becomes nineteen (19) on or after August 1 shall remain eligible for the entire school year.

Sec. 2) WAIVER PROVISION

- a) The Ruling Officer and the Commissioner may waive the provisions of this bylaw, and the student shall be eligible for high school athletics in Kentucky if written documentation is provided to clearly demonstrate that the student:
 - (1) Qualified for exceptional children services and had an individual education program developed by an admissions and release committee (ARC) while the student was enrolled in the primary school program;
 - (2) Was retained in the primary school program because of an ARC committee recommendation; and
 - (3) Has not completed four (4) consecutive years or eight (8) consecutive semesters of eligibility following initial promotion into grade nine (9).
- b) The Ruling Officer and the Commissioner shall not adopt administrative procedures that allow for the waiver of this rule under any other condition.

BYLAW 3. MAXIMUM NUMBER OF YEARS

Sec. 1) LIMIT OF FOUR YEARS

- a) A student entering grade nine (9) for the first time in any high school shall have four (4) consecutive calendar years of eligibility from the date of first entry into grade (9) in any school provided the student is eligible according to this and all other Association bylaws.
- b) The eligibility shall conclude with the completion of the spring sports season following the fourth year.
- c) No additional eligibility may be granted in a case where the grant would allow a student to compete in all or part of the fifth competitive season in a single sport following the initial entry into grade nine (9).

Sec. 2) ADDITIONAL ELIGIBILITY

- a) The Ruling Officer and the Commissioner through the Due Process Procedure, may grant additional eligibility in the case where it has been documented by the attending physician, Principal, and Superintendent that severe illness or injury has prevented the student from receiving basic education services and the right to an education has therefore been impacted rather than simply the loss of athletic privilege.
- b) The documentation from the attending physician, Principal, and Superintendent shall be from those involved with the student at the time of the original injury

or illness.

- c) The grant of eligibility may only be made in the cases in which the student-athlete would remain eligible by all other Association bylaws.
- d) This provision shall not include additional eligibility strictly for loss of participation due to sports-related injuries.
- e) No additional eligibility may be granted in a case where the grant would allow a student to compete in all or part of the fifth competitive season in a single sport following the initial entry into grade nine (9).

BYLAW 4. ENROLLMENT REQUIREMENTS

Sec. 1) ELIGIBILITY FOR PARTICIPATION WHILE LEGALLY ENROLLED IN GRADES 9-12

- a) On Friday of each grading period, a student enrolled in grades nine (9) through twelve (12) shall be legally enrolled in a member high school as a full-time student in at least four hours of instruction as provided in Kentucky Board of Education regulation 702 KAR 7:125 (of the six hours of instruction required) or the equivalent of four hours of instruction acceptable to graduation at the member school he or she desires to represent in order to be eligible for athletics.
- b) A student who is legally enrolled or connected with any other school than the one he or she represents shall not take part in any contest. In the case of an all-boys' high school, girl cheerleaders from an affiliated neighboring all-girls' school may be accepted.
- c) A student is ineligible for the first year following enrollment at a member school if that student leaves the former school with documented obligations (including financial). The student shall remain ineligible until the conclusion of one year from the date of enrollment or documentation that the obligations have been satisfied.

Sec. 2) ELIGIBILITY FOR PARTICIPATION WHILE LEGALLY ENROLLED BELOW GRADE 9

- a) A pupil in grades 7-8 in the feeder pattern of a KHSAA member school under the same local Board of Education as the member school may play on the high school team (at any level of play) if that participation is not in conflict with Sec. 3 below, and the time so played shall not be counted on the four (4) year (eight (8) semester) limit.
- b) For a school to be considered a "feeder" school (and therefore "connected"), it must be under the same local board of education as the member school and enroll students exclusively below grade nine.
- c) A student enrolled at a nonfeeder school shall not be considered to be enrolled at a feeder school irrespective of past enrollment patterns of that nonfeeder school.
- d) School districts with multiple schools may not establish an "open choice" option to serve as a feeder pattern for athletics.
- e) Applying for admission to a school does not waive this definition as there is a clear line between applying and being enrolled.
- f) School and school districts may choose to define a more restrictive feeder pattern for its middle schools to high schools which if violated, constitute the student not being "connected" and therefore ineligible.
- g) In a school district with multiple high schools, absent a specific otherwise adopted feeder pattern, the residence of the student-athlete within the district student assignment plan shall determine the school at which the student may participate if such participation is permitted by local policy.
- h) A student is ineligible for the first year to participate for a member school if that student leaves the former school with documented obligations (including financial). The student shall remain ineligible until the conclusion of one year from the date of enrollment or documentation that the obligations have been satisfied.
- i) Students enrolled below grade seven (7) may not play on a high school team at any level.
- j) A student below grade nine (9) may not participate on the varsity team in contests in the sports of football or soccer.
- k) All other participation by legally enrolled students in high school level teams practices, scrimmages or contests by students legally enrolled in grades seven (7) and eight (8) who are eligible by all other bylaw provisions is at the discretion of the school-based decision-making council or local board of education at the member school.

Sec. 3) INELIGIBILITY FOR REPEATING STUDENTS

- a) A student having been enrolled in the seventh (7th) grade or any grade through twelfth (12th) shall not be eligible for interscholastic athletics at the high school level (freshmen, junior varsity or varsity, grades 9 through 12) for more than a total of one (1) year in each grade and applicable eligibility shall begin in the first year enrolled in that grade.
- b) A student repeating a grade for any reason is ineligible to participate in interscholastic athletics at the high school level (grades 9 through 12) during the second year in that grade. The penalty for violation of this rule shall be the loss of one of the four years of eligibility after initial entry into grade nine (9).

Sec. 4) DEADLINE FOR ENROLLMENT

 - (2) The grant of this waiver shall only apply to the member school in the school district in which the residence of the custodial parent is located.
 - (3) After this one time move by the student to the other custodial parent, all subsequent moves between parents shall require a period of ineligibility of one year.

Sec. 3) SPECIFIC RESTRICTIONS FOR DENIAL OF WAIVER FOR THOSE SATISFYING DISCRETIONARY WAIVER PROVISION(S) IN SEC. 2

A waiver of the period of ineligibility is not required for a student satisfying one of the exceptions in Sec. 2 if documentation exists in the record that the transfer is motivated in whole or part by a desire to participate in athletics at the new school. This documentation of actions occurring anytime after enrollment in grade nine (9) includes but is not limited to:

- b) If any member school files a written objection to the factual validity of the certification before the conclusion of the period of time to which the period of ineligibility would normally apply, along with the specific, detailed basis for the objection, then a complete investigation shall be conducted by the KHSAA and a ruling shall be issued through the Commissioner's office.
- c) A student is ineligible for athletics in this state if he or she transfers from another state if the student was or would have become ineligible in the state from which he or she transfers.

BYLAW 7. TRANSFER RULE- STUDENTS HAVING J-1/F-1 STATUS

Sec. 2) EXCEPTION FOR PLACEMENT THROUGH APPROVED EXCHANGE PROGRAMS UTILIZING A J-1 EDUCATION VISA

- a) **APPROVED PROGRAMS-** Foreign Exchange Students in possession of a J-1 education Visa attending KHSAA member schools may have the period of ineligibility waived if the student is placed in a KHSAA member school under the auspices of approved student exchange programs. Member student exchange programs (agencies) of the Council on Standards for International Education Travel (CSIET) who are members in good standing with CSIET shall be considered approved agencies. An individual placed by an agency approved by CSIET may be denied eligibility if it is documented that the agency has failed to assign students to schools by a method that ensures that no student, school or interested party has influenced the assignment for athletic or other purposes.
- b) **WAIVER OF PERIOD OF INELIGIBILITY-** To be considered for a waiver, the following conditions shall exist:
 - (1) The student shall comply with all U.S. Immigration and Naturalization Service regulations and placed through an approved program as in Sec. 2(a) above;
 - (2) The student shall be in the first year as an exchange student in the United States and placed through an approved program as in Sec. 2(a) above;

 - (6) Placement in the KHSAA member school is random, and the student has not been a "direct placement" into a KHSAA member school. For the J-1 visa, a "direct placement" is one in which either the student or the sending organization in the foreign country is a party to an arrangement with any other party, including school personnel, for the student to attend a particular school or live with a particular host family;
 - (7) The placement must remain uninterrupted for the entire period during which the student would have been ineligible if the waiver was not granted;
 - (8) The student's host family shall not pay any tuition or fee normal to the attendance at the KHSAA member school; all fees shall be paid by the student's family;
 - (9) All travel fees shall be paid by the student's family;
 - (10) The student's host family from the initial date of entry into the United States through the end of the period as an exchange student shall not include members of the coaching or athletic staff at the KHSAA member school at which participation is desired;
 - (11) The student, the principal or designated representative of the member school, and a representative of the placement agency shall sign and attest to certification that the athlete complies with the eligibility rules of the KHSAA and shall not be eligible under any circumstances for more than one year of athletic participation if the first year period of ineligibility is waived; and
 - (12) Any payments to the host family by the placing agency shall be made solely by the exchange agency, and in compliance with the regulations and requirements of CSIET.
- c) The facts supporting a waiver under this rule shall be based on the circumstances existing as of the date of enrollment at the new school.

Sec. 3) EXCEPTION FOR PLACEMENT THROUGH APPROVED EXCHANGE PROGRAMS UTILIZING AN F-1 EDUCATION VISA

- a) **APPROVED PROGRAMS-** Foreign Exchange Students in possession of an F-1 education Visa attending KHSAA member schools may have the period of ineligibility waived in the event that the student is placed in a KHSAA member school under the auspices of approved student exchange programs or a valid F-1 exchange agreement under the auspices of the Department of Homeland Security. Member student exchange programs (agencies) and schools of the Council on Standards for International Education Travel (CSIET) who are members in good standing with CSIET shall be considered approved agencies/schools. An individual placed by an agency/school approved by CSIET may be denied eligibility if it is documented that the agency has failed to assign students to schools by a method that ensures that no student, school or interested party has influenced the assignment for athletic or other purposes. Other entities may be approved by the Board of Control, but such approval must be granted before the placement of any student in a KHSAA member school. To be otherwise considered for approval by the Board of Control, a foreign exchange program (agency) shall assign students to schools by a method that ensures that no student, school or interested party may influence the assignment for athletic or other purposes and shall formally request approval of the Board of Control through the Commissioner's office.
- b) **WAIVER OF PERIOD OF INELIGIBILITY-** To be considered for a waiver, the following conditions shall exist:
 - (1) The student shall be in compliance with all U.S. Immigration and Naturalization Service regulations and placed through an approved program or school as in Sec. 3(a) above;

 - (6) When enrolled in a public (A1, D1, F1) school, the student shall be required to pay the public school district the full unsubsidized, per capita cost of providing the education, as reported to the Kentucky Department of Education. The full, unsubsidized per capita cost of education (for each student) is the district cost of providing education to each student in the school district where the public school is located. When enrolled in a nonpublic (J1, M1, R1) school, the student shall be required to pay the nonpublic school the full amount of the highest listed tuition for attendance at that member school, and shall not be eligible for any merit or need-based aid as defined in Bylaw 11 or any otherwise permitted tuition reduction within the guidelines of the member school;
 - (7) The full, unsubsidized, per capita cost of education shall be listed under "tuition" on the student's Form I-20. If the Form I-20 does not include the cost of tuition, the student must have a notarized statement, signed by the designated school official (DSO) who signed the Form I-20, stating the full cost of tuition (unsubsidized per capita cost of education) and that the student paid the tuition (unsubsidized per capita cost of education) in full. The unsubsidized cost payment is mandatory, and school systems cannot waive the requirement. Federal law does not allow a student in F-1 status to attend public secondary school without paying this cost, which must be paid in all cases. Any payments to the local school district for this unsubsidized cost payment shall be made by the student and may not be made by any individual with any direct or indirect connection to the member school;
 - (8) Placement in the KHSAA member school is random, and the student has not been a "direct placement" into a KHSAA member school. For the F-1 visa, a "direct placement" is one who is known to be trying out for/to play an interscholastic varsity sport, or for whom participation in athletics was a known motivating factor at the time of application;
 - (9) The placement must remain uninterrupted for the entire period during which the student would have been ineligible if the waiver was not granted;
 - (10) The student's host family shall not pay any tuition or fee normal to the attendance at the KHSAA member school; all fees shall be paid by the student's

family;

- (11) All travel fees shall be paid by the student's family;
 - (12) No members of the coaching or athletic staff (paid or unpaid) at the KHSAA member school or school system at which participation is desired has had no role in the entry into school including acting as SEVIS local contract or registrar;
 - (13) The student's host family from the initial date of entry into the United States through the end of the period as an exchange student shall not include members of the coaching or athletic staff at the KHSAA member school at which participation is desired; and
 - (14) The student, the principal or designated representative of the member school, and a representative of the placement agency shall sign and attest to certification that the athlete complies with the eligibility rules of the KHSAA and shall not be eligible under any circumstances for more than one year of athletic participation if the first year period of ineligibility is waived.
- c) The facts supporting a waiver under this rule shall be based on the circumstances existing as of the date of enrollment at the new school.

Sec. 4) EXTENSION OF ELIGIBILITY BEYOND ONE YEAR IF WAIVER GRANTED

Any student having made an election to apply for the waiver of the first year of ineligibility and having been granted a waiver of the normal period of ineligibility under Sec. 1 above shall not be eligible, under any circumstances, for more than one (1) school year while enrolled in grades 9 -12 in Kentucky.

Satisfying one of the exceptions in this Bylaw shall not be considered valid and a waiver of the period of ineligibility shall not be granted if:
