**NOTIFICATION**

The Commercial Driver's License (CDL) Drug & Alcohol Clearinghouse is a federal database containing information about CDL drivers who have violated the Federal Motor Carrier Safety Administration's (FMCSA's) drug or alcohol regulations in 49 CFR Part 382. Whether you have committed a violation or not, the District or the District's Consortium/Third Party Administer (C/TPA) (as applicable) is required to check whether the Clearinghouse has any information about you at the time of employment and annually. When conducting an annual inquiry, the District or C/TPA will request a "limited" report that only indicates whether the Clearinghouse has any information about you. Before the District or C/TPA can request a limited report, your written authorization is required, per 49 CFR 382.701(b). If a limited query reveals that the Clearinghouse has information about you, you will then be asked to log in to the Clearinghouse website within twenty-four (24) hours to grant electronic consent to obtain your full Clearinghouse record. FMCSA will not disclose detailed information without first obtaining additional specific consent from you.

**CONSENT AND ACKNOWLEDGEMENT**

I, \_\_\_\_\_, hereby provide consent to the District  
(Employee Name - please print)

and the District's Consortium/Third Party Administer (C/TPA) to conduct pre-hiring and annual limited queries of the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse to determine whether drug or alcohol violation information about me exists in the Clearinghouse. This consent permits an unlimited number of such queries. My consent is valid from the date shown below until my employment with the District terminates or until I am no longer subject to the drug and alcohol testing rules in 49 CFR Part 382 for the District.

I understand that if I refuse to provide consent to conduct a limited query, or if I refuse to consent to a full query if requested by the District following a limited query, then the District must prohibit me from performing safety-sensitive functions, including driving a commercial motor vehicle, as required by FMCSA's drug and alcohol program regulations. I also understand that failure to provide cooperation to allow checking of the database as required by law may be grounds for personnel action based on loss of or legal inability to utilize licensure or certification required for the position.
