**Date:** July 10, 2020

**Action/Discussion Item:** Proposal to create eight (8) 240-day district substitute custodial positions.

**Applicable Statutes or Regulations:** BOE Policy 0.11 Powers and Duties of the Local Board of Education.

**Background and major Policy Implications:** Due to the opening of the Floyd County School of Innovation within the RLC facility, the increased student enrollment, particular during the COVID-19 pandemic may require additional custodial support. The creation of a district substitutes will provide flexibility to call a sub custodian for any location in the event additional cleaning and sanitizing support is needed.

**Fiscal Budgetary Impact:** The general fund will pay the salary and fringe for this position as it is needed.

**Alternatives:** None proposed.

**Recommended Action:** To create eight 240-day district substitute custodial positions.
