Madame Chairman and Members of the Board:

In accordance with 702 KAR 1:170, I am acknowledging to the board that the Data Breach and Security Best Practice Guide has been reviewed and we continue to implement security best practices to secure personal information security across our network and systems for the 2020-21 school year. We are required to provide this acknowledgement by August 31 of each year. Please review the accompanying guide provided by KDE or contact me with any questions regarding our data security practices and responsibilities.

Thank you,

Rusty Adams
