Re: Professional Growth Plan for 2020-2021 School Year

Attached is my Professional Growth Plan for the 2020-2021 school year. Listed below are my tentative PGP goals for the 2020-2021 school year. Although all standards will be addressed, I request to specifically focus on the following four goals:

Goal- Standard 1-A: Creates a working relationship with the local board of education, clearly defining roles and mutual expectations, that results in a shared vision for the district which assists the schools in preparing students to enter the changing world of the 21st Century.

Goal- Standard 2-E: Demonstrates awareness of all aspects of instructional programs.

Goal- Standard 3-A: Communicates strong ideals and beliefs about teaching and learning with all stakeholders and operates from those beliefs.

Goal- Standard 3-D: Builds trust and promotes a sense of well-being between all stakeholders.

The mission of Henderson County Schools is to provide extraordinary educational opportunities for every student.
