PROPOSAL SUBMITTED TO: Hopkins County Board of Education
Re: Change Order #1
Madisonville, Kentucky 42431

Below are our suggestions for savings on the Browning Springs Middle School Project.

- 1.) Replace Full time superintendent to part time/ as needed
- 2.) Change metal gas supply line to plastic
- 3.) Change water lines to PEX
- 4.) City furnished dumpsters
- 5.) Change concrete stem wall to CMU concrete filled
- 6.) Remove interior plywood and use horizontal framing
- 7.) Change to 1 water heater instead of 2

The total savings with these changes would result in \$16,000 change order deduct.

A handwritten signature in black ink, appearing to read "Josh Mitchell", is written over a horizontal line.
