Grading and Assessment policies were updated to match PHS SBDM policies and Access to Electronic Media along with related procedures updated to reflect current language. Otherwise, all other revisions were initiated by KSBA in their annual update and there had been no revisions since the first reading in June. Mr. Belcher explained this was a second reading and a motion was needed.

D. 2020-2021 Amended School Calendar

Superintendent David Trimble shared proposed amendments to the 2020-2021 school calendar that would move the student start date from August 13th to August 26th. Mr. Trimble explained the new start date would also allow the requirement of 170 days to be instead 1062 hours of instructional time. Additionally, January 4th had been changed to an instructional day, the last day for students would be May 28th and the majority of teacher professional development had been placed at the first of the school year with staff beginning on August 17th. Mr. Trimble shared additional considerations for reopening the school year.

Order #1734 - Motion Passed: Approve 2020-2021 Amended School Calendar passed unanimously with a motion by Dr. Kevin Pugh and a second by Mrs. Ashley Brown.

E. Other Business

Superintendent David Trimble shared requests from families of students who will be attending the Gatton Academy this upcoming school year. Requests included the cost of books, to provide a personal technology device, waiver of tuition, and a stipend. After detailing his research, Mr. Trimble recommended that the cost of books be covered by the district since we provide books for students in district; allow the student to use school technology as we are allowing students currently with remote learning; to waive tuition since the student is not in district; but not to provide a stipend to the student. Board Members posed questions and discussed the proposed recommendations.
