Re: Professional Architectural Services
Renovation at Estill County High School

Dear Mr. Saylor:

This is to express our firm's interest in providing professional services for your upcoming advertised project for Renovation at Estill County High School.

Over the years we have been involved in many renovations, additions, and new construction throughout the Commonwealth. **G. Scott & Associates** would be more than happy to be a part of your team to the High School Renovation. **GSA** is now working on renovations/additions on several high schools (i.e., Mason County High School, Henry County High School, Green County High School, and Frankfort Independent Gym Renovation) that are just completed, in construction, ready to bid, or beginning construction.

Our office is located in Frankfort, and we are accessible by cell phone, email, or text message. We provide personal services to *all* of our clients.

Thanks for your consideration to work with you and your Board on this project.

Sincerely,

Craig G. Aossey, Managing Partner
AIA, CID, LEED AP
