Jeff Saylor
Estill County Board of Education

Re: Architectural Services for High School Renovation

Dear Mr. Saylor,

Shrout Tate Wilson Consulting Engineers is pleased to submit a Letter of Interest for engineering design services for the following projects:

- Architectural Services for High School Renovation

STW has a great desire to work with the Estill County School Board. We are excited to propose solutions that service the needs and goals of this project. We look forward to the next steps.

Respectfully,

Terri Albert
Business Development & Marketing Manager
