

## Supervision Responsibilities & Fee Proposal

### *2020-22 School Years*

For the two mental health therapists to provide mental health therapy to students and staff they must practice under the supervision of a Licensed Clinical Social Worker. 100 hours of supervision is required during their first year of practice. They must receive a total of 200 hrs. of supervision (over a two-year period) before they are eligible to apply for Licensed Clinical Social Worker through KY Board of Social Work.

Newport has a licensed clinical social worker on staff who has agreed to supervise these individuals. The required hours of supervision will not take place during the school day.
