

August 2020
Director of Student Services
Board Report

COVID – 19

- Electronic Temperature Stations have been in placed in all the buildings.
- 4 misting/disinfecting machines have been ordered from Stigler Supply. They should arrive this week.
- 290 student desks have been ordered. They will be used to replace tables throughout Lincoln. They are scheduled to be delivered on Aug. 31st

Custodial

- Orientation week Aug. 24th-28th. The custodians have the buildings looking great.
- We are planning some projects to complete during the month of September before in-person instruction begins.

Maintenance

- The Unit Ventilators project is almost complete. All of the units are installed and we are waiting on repairs on 3 of the units.
- Solar Panels generated 4,868 KWH for the month of July.

School Safety

- Beginning work on the requests of the School Safety inspection from June.

Transportation

- We will be replacing a gas tank and undercarriage in Bus 1.

Student Attendance

- The final SEEK number for the 2019-20 school year is 820.475.
