August 2020 Board Report

Daycare Report

- Final balance Report
- Daycare is up and running. Food service is going well there. All safety protocols have been made per Covid reopening guidelines. A lot of these improvements were paid through the CARES ACT money that we received. Enrollment is 15 students.

Early Childhood Learning

- Teachers have completed preschool screenings the past two weeks.
- Preschool will begin with virtual instruction on September 8th.
- iPads will be distributed to all preschool students to assist with their virtual learning
- Kindergarten screenings are on hold until we can administer the Brigance face-to-face.

Special Education/504

- Approval of contracts for PT/OT services, Psychology, Orientation and Mobility services, and The Point for services for special education students.
- Staff has been working hard getting caught up on evaluations and we have had students come in 1:1 to administer assessments.
- Staff has also been trained in the new Medicaid documentation system Compu Claim and expanded care services are now able to be billed.
