

LIVINGSTON COUNTY PRESCHOOL TUITION CONTRACT

I, _____, have been made aware that my non-qualifying preschool child, _____, is being offered a tuition slot on a month-by-month basis. I understand that eligibility will be based on Preschool/Head Start enrollment for the district which means there may or may not be a tuition slot available for my child on a continual basis. I will be informed during the semester if the preschool my child attends is too full and if my child needs to change centers or cease attending.

I understand that transportation to and from the preschool site will be my responsibility unless district administrative personnel determine that enough space in current bus routes is available and my child lives on an existing transportation route. Also, lunch and/or breakfast cost for my child will be my responsibility (free or reduced application may apply).

I know that my child may be allowed to attend another session in this center or other centers in Livingston County if room is available, if the session in which my child is enrolled becomes full. I will be informed during the semester if the preschool my child attends is too full and if my child needs to change centers or cease attending.

I understand that the tuition will be the same rate as Playcare Learning Center (currently \$15 per half day), and payment in full is due prior to my child attending that month. See the payment schedule below:
