

1 EDUCATION AND WORKFORCE DEVELOPMENT CABINET

2 Kentucky Board of Education

3 Department of Education

4 (Amendment)

5 704 KAR 3:035. Annual professional development plan.

6 RELATES TO: KRS 156.095, 158.070

7 STATUTORY AUTHORITY: KRS 156.070, 156.095, 158.070(5)

8 NECESSITY, FUNCTION, AND CONFORMITY: KRS 156.095 requires the Kentucky Board  
9 of Education to establish, direct, and maintain a statewide program of professional development  
10 to improve instruction in the public schools. KRS 158.070(5) requires the state board to  
11 promulgate administrative regulations establishing guidelines and procedures to be followed for  
12 the approval of the days utilized for four (4) days of the minimum school term required to be  
13 utilized by each local school district for professional development activities for the professional  
14 staff. This administrative regulation establishes the requirements for the annual professional  
15 development plan.

16 Section 1. Definitions. (1) **“Comprehensive District Improvement Plan” is defined in 703**  
17 **KAR 5:225, Section 1(3).**

18 **(2)** “Comprehensive School Improvement Plan” is defined in 703 KAR 5:225, Section 1**(4)****(3)**.

19 **(3)****(2)** "Needs assessment" means the gathering, sorting, and analysis of student, educator, and  
20 system data that lead to conclusions regarding the need for content and learning designs for

1 professional development in identified areas related to educator performance and student  
2 achievement.

3 ~~(4)~~~~(3)~~ "Professional development" means professional learning that is an individual and  
4 collective responsibility, that fosters shared accountability among the entire education workforce  
5 for student achievement, and:

6 (a) Aligns with **the** Kentucky~~['s Core]~~ Academic Standards in 704 KAR 3:303 **and 704 KAR**  
7 **Chapter 8**, educator effectiveness standards, individual professional growth goals, and school,  
8 school district, and state goals for student achievement;

9 (b) Focuses on content and pedagogy, as specified in certification requirements, and other related  
10 job-specific performance standards and expectations;

11 (c) Occurs among educators who share responsibility for student growth;

12 (d) Is facilitated by school and district leaders, including curriculum specialists, principals,  
13 instructional coaches, competent and qualified third-party facilitators, mentors, teachers or  
14 teacher leaders;

15 (e) Focuses on individual improvement, school improvement, and program implementation; and

16 (f) Is on-going.

17 ~~(5)~~~~(4)~~ "Professional development program" means a sustained, coherent, relevant, and useful  
18 professional learning process that is measurable by indicators and provides professional learning  
19 and ongoing support to transfer that learning to practice.

20 Section 2. Each local school and district shall develop a process to design a professional

21 development plan that meets the goals established in KRS 158.6451 and in the local needs

1 assessment. A school professional development plan shall be incorporated into the school  
2 improvement plan and shall be made public prior to the implementation of the plan. The local  
3 district professional development plan shall be incorporated into the district improvement plan  
4 and posted to the local district Web site prior to the implementation of the plan.

5 Section 3. Each school and local district professional development plan shall contain the  
6 following **five (5)**~~six (6)~~ elements:

7 (1) A clear statement of the school or district mission;

8 (2) Evidence of representation of all persons affected by the professional development plan;

9 (3) A needs assessment analysis;

10 (4) Professional development objectives that are focused on the school or district mission,  
11 derived from needs assessment, and that specify changes in educator practice needed to improve  
12 student achievement; and

13 (5) A process for evaluating impact on student learning and improving professional learning,  
14 using evaluation results.

15 Section 4. (1) The school or district improvement plan shall, in compliance with **703 KAR 5:225**  
16 **and aligned to the goals established in** KRS 158.6451, address professional learning required  
17 to improve instruction.

18 (2) Professional development shall:

19 (a) Be related to the teachers' instructional assignments and the administrators' professional  
20 responsibilities;

- 1 (b) Be aligned with the school or district improvement plan or the individual professional growth  
2 plans of teachers;
- 3 (c) Occur within learning communities committed to continuous improvement, collective  
4 responsibility, and goal alignment;
- 5 (d) Be facilitated by skillful leaders who develop capacity and advocate and create support  
6 systems for professional learning;
- 7 (e) Be prioritized and monitored by the district;
- 8 (f) Use a variety of sources and types of student, educator, and system data to plan, assess, and  
9 evaluate professional learning;
- 10 (g) Integrate theories, research, and models of human learning to achieve its intended outcomes;
- 11 (h) Apply current research on systems change and sustain support for implementation of  
12 professional learning for long-term instructional improvement as evidenced by student growth;
- 13 (i) Align its outcomes with educator performance and student curriculum standards; and
- 14 (j) Focus resources on areas of identified need.
- 15 (3) Professional development shall not supplant any of the six (6) hour instructional day.
- 16 (4) A district may report flexible professional development on unpaid noncontact days. This shall  
17 require a district calendar change and the change shall be reported to the Department of  
18 Education.
- 19 (5) Professional development that relates to an individual professional growth plan may be used  
20 to satisfy the requirements for certification or renewal options as established by the Kentucky  
21 Education Professional Standards Board in Title 16 KAR.

1 (6)(a) Professional development grant dollars may reimburse college or graduate course tuition  
2 expended for a teacher to deepen content knowledge and content-specific pedagogy in math,  
3 science, English/language arts, social studies, arts and humanities, and practical living and career  
4 studies, if the teacher is assigned to teach in those areas.

5 (b) The use of professional development funds for tuition reimbursement shall be specified in the  
6 district improvement plan approved by the school board or the school plan approved by the  
7 school council as to funds under its control.

8 (c) Particular content areas and grade levels, which qualify for reimbursement, may be specified  
9 based upon information about the level of academic preparation of the teacher employed, local  
10 student performance data, and student learning needs.

11 (7) Professional development credit shall not be awarded for those experiences that provide  
12 remuneration beyond travel, food, lodging or tuition.

13 (8) A school district implementing a flexible professional development schedule shall award  
14 professional development credit for any experience that addresses the goals of the school, the  
15 goals of the district improvement plan, or the individual professional growth plans of teachers.

16 (9) Parent-teacher conferencing skill development shall be permissible as a professional  
17 development experience.

18 Section 5. The Qualifications and Duties of the District Professional Development Coordinator.

19 (1) Qualifications for the position of district professional development coordinator shall include:

20 (a) A staff member meeting the certification requirement for a professional development  
21 coordinator as established by the Education Professional Standards Board in 16 KAR 4:010;

- 1 (b) A demonstrated ability to work with schools to plan, design, implement, and evaluate  
2 professional development that aligns with the requirements of this administrative regulation; and
- 3 (c) A demonstrated ability to work with schools to connect professional development with  
4 effective instructional practices and student achievement data.
- 5 (2) Duties of the district professional development coordinator shall include:
- 6 (a) Facilitating analysis of student, educator, and system data to conduct the district professional  
7 development needs assessment;
- 8 (b) Coordinating the intradistrict alignment of professional learning to achieve identified goals  
9 and objectives for professional development;
- 10 (c) Building capacity of school leaders, school council members, and other school and district  
11 leaders to plan, access resources, implement, and evaluate professional learning;
- 12 (d) Disseminating professional development information to school councils, staff members, and  
13 professional development committees;
- 14 (e) Providing technical assistance to school councils on scheduling to allow for job embedded  
15 professional learning opportunities;
- 16 (f) Coordinating the planning, implementation, and evaluation of the district professional  
17 development plan that is aligned, supportive of, and developed in conjunction with school  
18 improvement plans;
- 19 (g) Coordinating the establishment of local policies, procedures, timetables, necessary forms and  
20 letters, assignment of workshop sites, and all other practical elements of professional  
21 development, including fiscal management;

1 (h) Maintaining, verifying, and, if appropriate, submitting district and school professional  
2 development records, documentation, and other pertinent information to the Department of  
3 Education;

4 (i) Explaining the district's professional development plan's objectives, results, and needs to  
5 school professionals, district staff, board members, civic and parent groups, teacher training  
6 institutions, and others, as requested;

7 (j) Maintaining contact with the Department of Education and other agencies involved in  
8 providing professional development; and

9 (k) Identifying, selecting, coordinating and evaluating the services of third-party professional  
10 development providers.

11 Section 6. A maximum of fifteen (15) percent of the district's professional development grant  
12 may be used for administrative purposes.

13 Section 7. When implementing professional development plans under KRS 158.070, a local  
14 school or district shall adhere to its school or district improvement plan.
