RE: New Member Schools

At your direction, I contacted Steve Kopyay with the Kentucky Non-Public School Commission to check the status of four (4) schools requesting membership into the KHSAA. The initial applications were approved by the Board of Control at its July meeting. I was able to confirm that the following schools are approved members of the Non-Public School Commission:

- Foundation Christian Academy
- North Hardin Christian School
- Trinity Christian Academy
- Somerset Christian School

In the process of checking these four, I also checked on CornerStone Preparatory School who applied for membership for the 2019-20 school year. As you recall, they were not an approved member of the Non-Public School Commission at that time. However, after speaking with Steve, Cornerstone Preparatory will become an approved member of the Non-Public School Commission on their first day of school of the 2020-21 school year. I have included their application for membership for your review and to be considered for membership by the Board of Control.
