

Intel Online Learning Initiative – Additional Terms and Conditions

In addition to the requirements outlined in the award letter for your district, please agree to the following conditions:

The devices received through this initiative will be distributed only to children in need within my district, and the district will ensure that the families who benefit from these devices have internet access. *

☐ I agree

The devices received through this initiative will be the property of my district, and the district will take full responsibility for their use, care and management. *

☐ I agree

My district will collect feedback and testimonials from the families who benefit from using these devices and submit them to our First Book partner manager no later than November 30, 2020. *

☐ I agree

My district will complete a post-survey about this initiative in November 2020. Our participation in this survey, combined with the feedback and testimonials from the families who benefited from this gift will serve as our final grant report. *

☐ I agree

My district will encourage and facilitate all eligible educators, administrators, and providers in our district to sign up with First Book. *

☐ I agree

In the event that any shipment of devices and/or LEGO Education Solutions cannot be successfully delivered or is returned to sender, the district will assume responsibility for any reshipping or restocking fees. *

☐ I agree

I certify that my school district or charter network has authorized me to complete this form as their representative for this initiative. *
