Subject: Open Records Request
Date: Monday, September 14, 2020 4:26:27 PM

Mr. Buresh,

Pursuant to Kentucky's Open Records Act, KRS 61.870-61.884, I am writing to request copies of the following public records from KyMEA:

1. Aggregate agency load data from the beginning of service in 2019 through to the present at 15 minute intervals or higher granularity if available. Please provide in original, machine readable, digital format.
2. Individual member load data from the beginning of service in 2019 through to the present at 15 minute intervals or higher granularity if available. Please provide in original, machine readable, digital format.
3. The most recent agency load forecast and supporting data (i.e. load, coefficients, demographic and economic data, etc). Please provide in original digital format.

I am not requesting the creation of any new documents summarizing or reproducing the records above or any other data.

The requested information is not being sought for commercial purposes.

If KyMEA makes a determination that any responsive record, or any portion within the requested record, is exempt from disclosure, please provide "a statement of the specific exception authorizing the withholding of the record and a brief explanation of how the exception applies to the record withheld" as required by KRS 61.880(1). To the extent KyMEA may deny any portion of my request and claim the information is proprietary, please cite to the applicable federal and/or state law that supports your withholding of the public record. If KyMEA validly deems any portion of a record exempt, I ask that the remainder of the records to be provided, as required by KRS 61.878(4).

Further, KRS 61.874(2)(a) requires KyMEA to provide the requested records electronically, where KyMEA maintains the records electronically. Please supply the requested records in the most convenient and natural format. I am not asking KyMEA to reproduce the records or data in an Excel spreadsheet, as I did not request the data, but rather the original records. A digital file such as a PDF containing the records and delivered by e-mail is preferred, especially given the current health crisis. A disc, thumb drive, or other form is acceptable if absolutely necessary.

I look forward to your response within three business days.

If you are not the official custodian of records please forward this request as appropriate.

Regards,

Walt Baldwin
