

September 2020
Director of Student Services
Board Report

COVID – 19

- LES and DHS Re-entry teams met this week and have prepared protocols for on site student instruction starting on 9/28.
- Small group and individual students have been working with teachers and procedures have been going well.
- Disinfecting machines are being used! 😊
- Student Desks have been delivered and placed in classrooms.

Custodial

- Recently hired 2 new night shift custodians. One for DHS and one for LES.

Maintenance

- Wind Screens are ordered for Davis Field. The plan is for arrival before homecoming.
- BG-1 project for Roof replacement at the Daycare and Field house.

School Safety

- Continuing work on the requests of the School Safety inspection from June.

Transportation

- Extracurricular trips have started. Teams and Coaches are following strict protocols for social distancing on the busses.

Student Attendance/Participation

- Enrollment as of September 18th is 832.
