Subject: Open Records Request
Date: Tuesday, September 22, 2020 4:51:01 PM

Mr. Buresh,

Pursuant to Kentucky's Open Records Act, KRS 61.870-61.884, I am writing to request copies of the following public records from KyMEA:

1. All records pertaining to all scenarios and any data used to create the scenarios discussed in the September 9th and June 6th 2020 IRP focus group presentations. Including, but not limited to, the following scenarios: BaseCase, HighGas, LowGas, HighDemand, LowDemand, CarbonLimitwithHighGas, CarbonLimitwithLowGas, NationalCarbonTax, and ZeroCarbonAdditions. Please include all records detailing all supporting data which were used to derive each scenario including, but not limited to, any forecasts and the data (coefficients, economic data, weather data, fuel costs, carbon pricing, load, etc) used to create those forecasts. Please provide in original, machine readable, digital format.

I am not requesting the creation of any new documents summarizing or reproducing the records above or any other data.

The requested information is not being sought for commercial purposes.

If KyMEA makes a determination that any responsive record, or any portion within the requested record, is exempt from disclosure, please provide "a statement of the specific exception authorizing the withholding of the record and a brief explanation of how the exception applies to the record withheld" as required by KRS 61.880(1). To the extent KyMEA may deny any portion of my request and claim the information is proprietary, please cite to the applicable federal and/or state law that supports your withholding of the public record. If KyMEA validly deems any portion of a record exempt, I ask that the remainder of the records to be provided, as required by KRS 61.878(4).

Further, KRS 61.874(2)(a) requires KyMEA to provide the requested records electronically, where KyMEA maintains the records electronically. Please supply the requested records in the most convenient and natural format. I am not asking KyMEA to reproduce the records or data but rather to provide the original records or exports from their respective system(s). A digital file containing the records and delivered by e-mail is preferred, especially given the current health crisis. A disc, thumb drive, or other form is acceptable if absolutely necessary.

I look forward to your response within three business days.

If you are not the official custodian of records please forward this request as appropriate.

Regards,

Walt Baldwin
