Principal Chris Mason spoke with Superintendent Jesse Bacon regarding this request. It did not appear in the principal's email to approve in a timely manner. There is only one student that qualified for the state tournament. Parents are transporting and staying with the student, but it is still an overnight request that requires board approval. Dr. Bacon approved of the student attending and it will be included on the October 26th board agenda for reference.	10/6/2020 11:27:30 AM	DBA, DBA

Dr. Bacon

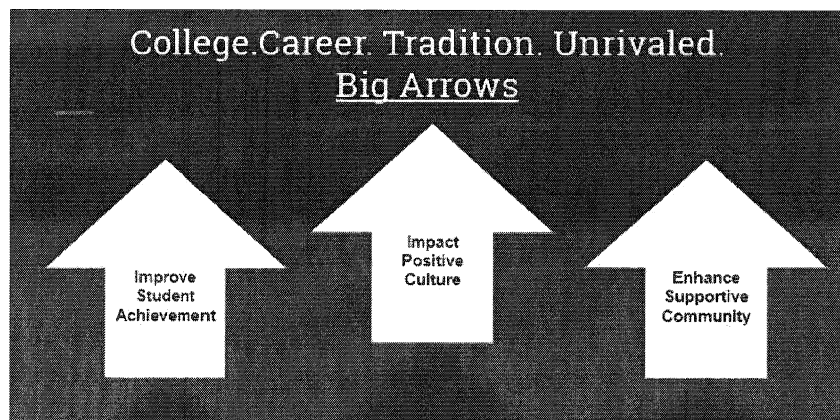

Trip 11276 to the Girls State Golf Tournament in Bowling Green did not appear in my trips to approve inbox. The trip has been approved however it is after the board meeting. Macie Brown is our only competitor and Larry Steinmetz is our coach. Macie will be traveling down with her parents and staying with them. It is out of district however we will not be using any form of transportation. Please let me know if you need anything else from me? I do appologize for any inconveince this has caused you.

Thanks  
Chris

Hello,

TRIP# 11276 just popped in my email to include on the next board meeting agenda.

It's for one student on the girls golf team to go to a tournament starting on 10/8 through the 10th.

We had a board work session last night and the next meeting isn't until the 26th.

I'm afraid there isn't an opportunity to get it approved by the Board.

Can the parents transport and stay with her?

Betsy

Hi Betsy.

That is exactly what is happening. I am not transporting her at all.

Larry
