Simpson County Board of Education Members:

Franklin Elementary is requesting approval to apply for the 2021-2022 United Way Grant to fund a portion of our Kindergarten Readiness efforts. This grant is vital for Franklin Elementary to provide pre-Kindergarten information to parents. Franklin Elementary has been awarded the grant for the past four year in the amount of \$7500. FES is requesting the grant amount in the same amount this year.

Regards,

Rachel Wright,

Franklin Elementary Principal
