Re: Athletic Restriction Removal

I would request that we remove the Athletic restrictions we established this summer with the board on where HCS is allowed to play athletic contests/games. (Warren County, Louisville area, and others)

It is my proposal that HCS Athletic Directors work with their administration as well as Central Office administration (Steve Steiner/Dr. Lawson, others as designated) to determine the locations and teams that HCS will be allowed to engage in through extracurricular contests.

Recommendations to participate will be made through communication with the other Athletic Directors/Principals about current conditions in their area, school and team. Any additional information that may be needed for a final decision can be gathered by Central Office administration in regard to concerns.

The final decision will be made by the superintendent or designee. (Mrs. Stanley or Dr. Lawson)
