Furthermore, any findings of the audit requiring corrective action shall be the DELEGATE’S sole responsibility to address and resolve within a reasonable time determined by consultation between the DELEGATE and GRANTEE. Each party understands and agrees that HHS may also allot a time period for resolution of a finding and in that event regardless of the agreement between the parties as to a “reasonable time to resolve” the DELEGATE must resolve the deficiency within the time allotted by HHS. Failure to resolve a deficiency found by audit within the appropriate time allotted (whether allotted by HHS or the parties by agreement) can result in the immediate termination of this agreement by the GRANTEE.

Subject to receipt of funds from HHS and if the DELEGATE'S costs are allowable and within budgetary limits, the GRANTEE agrees to reimburse expenditures monthly to the DELEGATE. In no event, however, shall the DELEGATE receive reimbursement for personnel, fringe benefits, out of town travel, and/or contractual costs exceeding the approved budget. Total costs shall not exceed the overall approved budgeted amount.

The Head Start Program shall be operated under an Approved Budget prepared by DELEGATE and approved by GRANTEE. Of that Approved Budget the federal budget share total is \$1,629,973 based upon \$6,443 federal dollars per child. The Approved Budget, at GRANTEE'S discretion, shall be decreased or increased based upon HHS funding for Cost of Living, Quality Improvement, number of children served, and/or funding loss. GRANTEE has the right to make such budgetary adjustments during the agreement year, with (15)

days notice to the DELEGATE. GRANTEE and DELEGATE shall meet prior to July 1st of each year to formulate the approved budget in accordance with funds available and programs implemented within the scope of this Agreement. The DELEGATE'S federal budget shall be adjusted to an amount equaling the federal dollars per child times the DELEGATE'S averaged actual funded enrollment for the prior year. No funds shall be spent in excess of the Approved Budget without prior written approval of the GRANTEE.

If the non-compliance is a misappropriation of funds or property having an economic value, the DELEGATE shall reimburse the GRANTEE for any loss the GRANTEE sustains including funds the GRANTEE may have paid by way of reimbursement to HHS and funds expended for legal expenses or expenses otherwise associated with the misappropriation. This provision as to economic loss also applies to other forms of economic loss GRANTEE may experience occurring because of the activity of one or more employees of the DELEGATE even though deliberate misappropriation did not occur.
