

October 2020
Director of Student Services
Board Report

COVID – 19

- No reported cases as of 10/22/20.
- Nurse Tara and Casey collaborated to create a data base to track cases and quarantined students and staff. There will be a link on our district website.

Custodial

- Custodians are doing a great job of keeping the buildings clean and sanitized.

Maintenance

- Roof replacement at Daycare Facility will be completed next summer.

School Safety

- Continuing work on the requests of the School Safety inspection from June.

Transportation

- Extracurricular trips have started. Teams and Coaches are following strict protocols for social distancing on the busses.
- Reviewing pricing for the purchase of a new Food Service Van.
- Bus 1 had a new under carriage and floor installed do to rusting.

Student Attendance/Participation

- Enrollment as of October 22nd is 828. LES – 432 DHS - 396
