

October 2020 Board Report

DayCare Report

- Final balance report
- Through our Cares Act monies we were able to purchase disinfectant foggers and toy sanitizers for the Day Care and Preschool classrooms.

Early Childhood Learning

- On October 13th our preschoolers were able to experience a wonderful day at the farm. Benton Farms came to us this year at Gil Lynn Park and brought a trailer full of animals for them to touch and see (the baby goats were a favorite). They also got a chance to pick a pumpkin out of their pumpkin patch.
- Brigrance screenings will take place for our in-person instruction kindergarten students in early November.

Special Education/504

- Staff have worked really hard and we are finally caught up with evaluations from the spring amid school closures.
- Medicaid desk audit revealed no errors and we received an additional \$13,000.
