

**Boone County Public Schools/St. Henry Catholic School
Tutoring Contract**

To whom it may concern,

Mind Over Matter kids would like to submit a proposal to Boone County Public Schools for the purposes of providing systematic structured literacy instruction to Title 1 students who are enrolled at St. Henry Catholic School.

Small group instruction will be provided to 4 kindergarten and 3 first grade students who have been previously identified by BCPS & SHCS. The students will meet 3 times a week for 30 minutes in small groups of 2-4 based on their current reading abilities and areas of need.

Instruction will be given by individuals who have been trained and supervised by myself, Kayla Steltenkamp, Ph.D. Progress monitoring data will be collected to monitor and adjust instruction as needed throughout the program. They will be reimbursed \$24 an hour an hour for time spent with students. If students are broken into two groups, a total of 47 sessions will be given which will last approximately 15 weeks. Given the nature of school schedules and COVID, the specific number of sessions or weeks may not be set in stone. The maximum number of sessions shall not exceed a total \$2363.22 (\$337.60 per student).

Thank you for your consideration in this potential partnership. I am excited to be able to work with these great educational organizations to provide instruction to struggling readers.

Kindly,

Kayla Steltenkamp, Ph.D.
