Re: Standard 2 – Instructional Leadership

In our next seven board meetings I will give a brief summary on each of the Next Generation Effectiveness Standards for Kentucky School Superintendents as well as a list of artifacts/evidence that I have completed, are in progress, or will be completed to meet that standard. The second standard we will discuss is Standard 2: Instructional Leadership.

Standard 2: Instructional Leadership

SUMMARY: The superintendent supports and builds a system committed to shared values and beliefs focused on teaching and learning where performance gaps are systematically eliminated over time and every student graduates from high school college-and-career ready.

Artifacts:

Worked with school leadership teams to develop re-entry plan

Developed Schedules, implementation of programs, etc.

Continue to collaborate with DAC to implement MAP Testing

Meet with each principal to discuss the vision for their school

Currently collaborating with school leadership teams to implement synchronous teaching

The mission of Henderson County Schools is to provide extraordinary educational opportunities for every student.
