Between
Jefferson County Board of Education
And
NWEA

This Data Sharing/Use Agreement ("Agreement") between the Jefferson County Board of Education, a political subdivision of the Commonwealth of Kentucky doing business as the Jefferson County Public Schools ("JCPS"), and **NWEA**, a non-profit corporation organized under the laws of Oregon. ("Services Provider") describes the services to be provided to JCPS by Services Provider, and the means to be used by Services Provider to ensure the confidentiality and security of student data exchanged between JCPS and Services Provider in connection with the provision of the services.

A. PERIOD OF THE AGREEMENT

This Agreement shall be effective as of December 2, 2020 and will terminate when the services contract referenced in Paragraph B.1. below terminates, unless terminated earlier by either party pursuant to Section H.

B. SCOPE OF THE AGREEMENT AND INTENDED USE OF THE DATA

1. Services Provider will provide the following services to JCPS under the terms of the Contract for the Procurement of Subscription Services contract between JCPS and Services Provider effective December 2, 2020 ("Services Contract"). Service Provider (NWEA) shall use student level program participation data, as detailed on Attachment A hereto, within MAP Growth (the "Assessment System") to provide reports to JCPS.
2. JCPS and Services Provider agree that Services Provider is an organization to which JCPS can disclose, upon written request, personally identifiable information from an education record of a student, as defined in 34 CFR 99.3, under the "school official exception" of the Family Educational Rights and Privacy Act, 20 U.S.C. 1232(g) and 34 C.F.R. 99.31 (a)(1) ("FERPA"), because the disclosure is to a contractor to whom JCPS has outsourced institutional services or functions for which JCPS would otherwise use employees; the contractor is under the direct control of JCPS with respect to the use and maintenance of education records; and the contractor is subject to the requirements of 34 CFR 99.33(a) governing the use and redisclosure of personally identifiable information from education records.
3. JCPS shall disclose to Services Provider, upon written request, confidential, personally identifiable information from an education record of a student, as defined in 34 C.F.R. 99.3, under the "school official exception" of FERPA, 34

C.F.R. 99.31 (a)(1), when the disclosure is within such exception as stated in Paragraph B.2 above and Services Provider has a legitimate educational interest for access to such education records. The confidential data to be disclosed, is described in a document attached to this agreement as **Attachment A**. Any reference to "confidential information" or "data" in this Agreement shall mean the data described in Attachment A (or otherwise defined as personally identifiable information from an education record by FERPA). Services Provider shall use personally identifiable information from education records and other records in order to perform the services described in Paragraph B.1 above. Services Provider shall notify JCPS and JCPS shall provide written consent, if approved, of any changes to the list of disclosed data necessary for the services or any changes to the scope, purpose or duration of the services themselves. Each party will give written notice to the other party for any changes requested to this Agreement. Any agreed upon changes to the data disclosed pursuant to Attachment A shall be reduced to writing and included in an update to Attachment A to this Agreement. Any agreed upon changes to the (i) scope' (ii) purpose; or (iii) duration of the services shall be reduced to writing and included in an amendment to the Services Contract described in Paragraph B.1 above.

4. JCPS shall work cooperatively with Services Provider to determine the proper medium and method for the transfer of confidential data to Services Provider. Services Provider shall make the confidential data available to JCPS for download within the Assessment System in .CSV format and notify JCPS as soon as practicable of any discrepancies between the actual data transferred and the data described in this Agreement.

C. CONSTRAINTS ON USE OF DATA

1. Services Provider agrees that the services shall be provided in a manner that does not permit personal identification of parents and students by individuals other than representatives of Services Provider that have legitimate interests in the information.
2. Services Provider will not contact the individuals included in the data sets without obtaining advance written authorization from JCPS.
3. Services Provider shall not re-disclose any individual-level data with or without identifying information to any other requesting individuals, agencies, or organizations without prior written authorization by JCPS, unless required by law.
4. Services Provider shall use the data only for the purpose described in Paragraph B.1 above. The data shall not be used for personal gain or profit.

D. DATA CONFIDENTIALITY AND DATA SECURITY

Services Provider agrees to the following confidentiality and data security statements:

1. Services Provider acknowledges that the data is confidential data of a student and proprietary to JCPS, and agrees to protect the data from unauthorized disclosures and to comply with all applicable Local, State and Federal confidentiality laws and regulations including but not limited to FERPA; the

 - a. In all respects comply with the applicable provisions of FERPA.
 - b. Use any such data for no purpose other than to fulfill the purposes of the Services Contract described in Paragraph B.1 above, and not share any such data with any person or entity other than Services Provider and its employees, contractors and agents, without the prior written approval of JCPS.
 - c. Require all employees, contractors and agents of Services Provider to comply with all applicable provisions of FERPA with respect to any such data.

 - f. Destroy or return to JCPS any such data obtained under this Agreement within ninety days (90) after the date within it is no longer needed by Services Provider for the purposes of the Services Contract described in Paragraph B.1 above.
3. Services Provider shall not release or otherwise reveal, directly or indirectly, the data to any individual, agency, entity, or third party not included in this Agreement, unless such disclosure is required by law or court order. If Services Provider becomes legally compelled to disclose any confidential and otherwise personally identifiable data (whether by judicial or administrative order, applicable law, rule or regulation, or otherwise), then Services Provider shall use all reasonable efforts to provide JCPS with prior notice before disclosure so that JCPS may seek a protective order or other appropriate remedy to prevent the disclosure or to ensure JCPS's compliance with the confidentiality requirements of federal or state law; provided, however, that Services Provider will use all reasonable efforts to maintain the confidentiality of confidential and otherwise personally identifiable data. If a protective order or other remedy is

not obtained prior to the deadline by which any legally compelled disclosure is required, Services Provider will only disclose that portion of confidential and otherwise personally identifiable data that Services Provider is legally required to disclose.

4. Services Provider shall not distribute, reprint, alter, sell, assign, edit, modify or create derivative works or any ancillary materials from or with the data.
5. Services Provider shall not use data shared under this Agreement for any purpose other than the Services Contract described in Paragraph B.1 above. Nothing in this Agreement shall be construed to authorize Services Provider to have access to additional data from JCPS that is not included in the scope of this Agreement (or addenda). Services Provider understands that this Agreement does not convey ownership of the data to Services Provider.
6. Services Provider shall take commercially reasonable security precautions and protections to ensure that persons not authorized to view the data do not gain access to the data. Commercially reasonable security precautions and protections include, but are not limited to:

 - g. Securing access, in accordance with industry standards, to any physical areas/electronic devices where sensitive data are stored;
 - h. Installing a firewall to permit or deny network transmissions based upon a set of rules; and
 - i. Installing anti-virus software to protect the network.
7. If Services Provider receives Personal Information as defined by and in accordance with the Kentucky Personal Information Security and Breach

Investigation Procedures and Practices Act, KRS 61.931, et seq. (the "Act"), Services Provider shall secure, protect and maintain the confidentiality of the Personal Information by, without limitation, complying with all requirements applicable to "non-affiliated third parties" set forth in the Act, including but not limited to the following:

JCPS will release all data and information under this Agreement to Temporary Custodian.
