|              | *Fee: At each Forensics Event, there are up to five (5) competitions each student can potentially choose to participate in, depending on how they perform. Each competition is \$3/\$6 per student, so the maximum any student would pay at each event is up to \$25. |                          |         |           |       |                     |              |       |      |                         |          |           |         |
