RE: LG Fiber Maintenance Agreement for 2021

The annual maintenance agreement for the district's fiber-optic network cable with LG Fiber is due. LG Fiber continues to provide the district with excellent service when responding to emergencies, cable additions, and requests for changes by the Kentucky Transportation Cabinet. The current agreement expires on December 31, 2020. Permission to renew the agreement for the 2021 calendar year is requested. The cost has never received an increase and remains the same at \$26,400. Please see the additional information provided.

Let me know if you have any questions, thanks.
