Unless arrangements are made with the out-of-district's home school district for transfer of Average Daily Attendance revenue, the cost of admission for an out-of-district pupil at the School of Innovation shall be the sum of one thousand five hundred dollars (\$1,500.00) per year.

#### **REDUCTION OF TUITION AND FEES**

For families with more than one student, this cost shall be reduced by one thousand dollars (\$1,000.00) for each additional student down to a minimum of four hundred dollars (\$400.00) per year.

#### **PAYMENT**

Tuition charges must be paid in advance on a monthly (10 months), semester, or yearly basis.

#### **CHILDREN OF EMPLOYEES**

As a professional courtesy, the Board may accept pupils of all full-time school employees without tuition payment regardless of residency. Children of employees must meet the same standards for admission as other non-resident students.
