

Memorandum

December 21, 2020

**To: Dr. Bob Lawson, Superintendent
Henderson County Board of Education**

From: Kasey Farmer Wolfe, Director of Pupil Personnel

Subject: 2021-2022 Calendar Approval

Unlike every school year prior to this year, I am not asking the board to approve one calendar.

I am asking the Board to approve 2 calendars for the 2021-2022 school year.

The traditional calendar, with a start date of August 11, 2021, that HCS will plan to use.

The variable calendar, with a start date of August 25, 2021, which will only be used if Dr. Lawson deemed it necessary based on COVID related issues, Governor request, or other special circumstance.
