

***Pick-up Country 104.9 FM WSKV is the Official Broadcast Partner of Estill County Athletics***

Due to recent changes in our broadcast agreements, the Estill County School District conducted a search for radio broadcasting services to benefit our student-athletes, coaches and fans. We are pleased to announce that an agreement has been reached with Pick-up Country 104.9 FM WSKV. Our fans can now identify @WSKVFM as the official radio provider for Estill County Athletics.

WSKV has been very active in our community and their studio is located on Main Street here in Irvine, Kentucky. We look forward to a growing our existing partnership, as well as providing the top-notch coverage that WSKV will bring to Engineer fans. Please continue to watch for future announcements as to the number of ways that WSKV will allow fans to listen to our Estill County athletics events.

**GO Engineers!!!**
