You shall not (a) copy the Services or any part, feature, function or user interface thereof (b) use the Services to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of third-party privacy rights (c) attempt to gain unauthorized access to the Services or

Services (to the extent such restriction is permitted by law).

# Privacy

Kami's current Privacy Policy (located at [www.kamiapp.com/privacy-policy](http://www.kamiapp.com/privacy-policy)) is incorporated herein by reference and made part of this Agreement. You understand that through your use of our Services, you consent to the collection and use (as set forth in this Agreement, the Privacy Policy and any agreement entered into by your institution relating to the Services) of your information for hosting, processing and use by Kami.

# Your Files & Your Permissions

When you use our Services, you provide us with your files ("Your Files"). Your Files are yours. These Terms don't give us any rights to Your Files except for the limited rights that enable us to offer the Services.

We need your permission to do things, like hosting Your Files, backing it up, and sharing it when you ask us to. Our Services also provide you with features like thumbnails, document previews, sorting, editing, sharing and searching. These and other features may require our systems to access, store and scan Your Files. You give us permission to do those things, and this permission extends to trusted third parties we work with.

# Sharing Your Files

Our Services let you share Your Files with others, so please think carefully about what you share.

## Your Responsibilities

You're responsible for your conduct, Your Files and you must comply with our Acceptable Use Policy. Content in the Services may be protected by others' intellectual property rights. Please don't copy, upload, download or share content unless you have the right to do so.

Finally, our Services are only intended for use by people over the age of 13; except for educational use, which comes with an appropriate COPPA & FERPA-compliant student data privacy policy. By using our Services, you are representing to us that you're over 13 years of age, or have been granted approved access to our Services by your school or parents.

# Software

Some of our Services allow you to download client software ("Software") which may update automatically. So long as you comply with these Terms, we give you a limited, non-exclusive, nontransferable, revocable license to use the Software, solely to access the Services. To the extent any component of the Software may be offered under an open source license, we'll make that license available to you and the provisions of that license may expressly override some of these Terms. Unless the following restrictions are prohibited by law, you agree not to reverse engineer or decompile the Services, attempt to do so, or assist anyone in doing so.
