

Director of Student Services and Personnel Board Report

January 14, 2021

Participation Rate - The Participation Report has been pulled from Infinite Campus for all districts on Monday, January 11. The report pulled data for two date ranges: 10/1/20 to 12/31/20 and 7/1/20 to 12/31/20. Like with the previous report, these reports will be shared with the Legislative Research Commission and posted to the [KDE website](#).

2. Group video communication or phone calls between the teacher and a whole class or between a teacher and smaller groups of students within a class;
3. Student time logged into a learning management software system completing assignments; or
4. Submission of paper-based assignments for students in a non-digital, non-traditional setting
