Bullitt County Public SchoolsProfessional Development Plan 2020-2021

School:	Hebron Middle School
Planning Process Participants	Kelland L. Garland, Principal Katie Cottner, Instructional Coach Stacy Bewley, Special Education Instructional Coach Michele Taylor, Counselor
Description of Overall Needs Assessment	Classroom visits show a need to increase student engagement at a higher level of thinking. According to our CASE data, we are not making gains in mastery of standards. This is due to a lack of sound unit planning and alignment to assessments. Based on ELEOT data, we are not differentiating for students during our classes. We provide intervention during our seminar, but we need to grow in the area of support for struggling students. Behavior data shows that a percentage of our students need Tier II and Tier III behavior support. Staff began implementing behavior support plans this year, but further development in classroom behavior intervention is needed.
	The participants looked at classroom visit feedback, CASE data, intervention progress reports, and PLC minutes.
Description of Planning Process	The participants rooked at classroom visit reedback, CASE data, intervention progress reports, and PEC militates.

Comprehensive School Improvement Plan (CSIP)

Rationale

School improvement efforts are a collaborative process involving multiple stakeholders. Through the improvement planning process, leaders focus on priority needs, school funding, and closing achievement gaps among identified subgroups of students. When implemented with fidelity, the Comprehensive School Improvement Plan (CSIP) cultivates an environment that promotes student growth and achievement.

Operational Definitions

Goal: Long-term three to five year targets based on the six (6) required district goals: proficiency, separate academic indicator, achievement gap closure, graduation rate, growth, and transition readiness. Long-term targets should be informed by The Needs Assessment for Schools.

Objective: Short-term target to be attained by the end of the current academic year. There can be multiple objectives for each goal.

Strategy: An approach to systematically address the process, practice, or condition that the district will focus its efforts upon in order to reach its goals or objectives. There can be multiple strategies for each objective. The strategy can be based upon Kentucky's six (6) Key Core Work Processes listed below or another established improvement approach (i.e. Six Sigma, Shipley, Baldridge, etc.).

Activity: Actionable steps used to deploy the chosen strategy. There can be multiple activities for each strategy.

Key Core Work Processes: A series of processes identified by the Kentucky Department of Education that involve the majority of an organization's workforce and relate to its core competencies. These are the factors that determine an organization's success and help it prioritize areas for growth.

- KCWP 1: Design and Deploy Standards
- KCWP 2: Design and Deliver Instruction
- KCWP 3: Design and Deliver Assessment Literacy

- KCWP 4: Review, Analyze and Apply Data
- KCWP 5: Design, Align and Deliver Support
- KCWP 6: Establishing Learning Culture and Environment

Measure of Success: Criteria that shows the impact of the work. The measures may be quantitative or qualitative, but are observable in some way.

Progress Monitoring: Process used to assess the implementation of the plan, the rate of improvement, and the effectiveness of the plan. Should include timelines and responsible individuals.

Funding: Local, state, or federal funds/grants used to support (or needed to support) the improvement initiative.

Requirements for Building an Improvement Plan

- There are six (6) required district goals: proficiency, separate academic indicator, achievement gap, graduation rate, growth, and transition readiness.
- The required school goals include the following:
 - o For elementary/middle school, these include: proficiency, separate academic indicator, achievement gap, and, growth. For high school, these include: proficiency, separate academic indicator, achievement gap, graduation rate, and transition readiness.

Proficiency/Gap/Growth Goals (3 year target for each)

- Proficiency Goal Increase the Proficiency Index from 77.2 to 86 by Spring 2023, as measured by KPREP.
- Gap Goal Increase the GAP Rate from 46.9 to 56 by Spring of 2023, as measured by KPREP.
- Growth Goal Increase the Growth Index from 51.5 to 61 by Spring of 2023, as measured by KPREP.

Objective (Plan-Validate need w/data)	Measure of Success (outcome)	Strategy (KCWP and DO)	Activities (Do)	Progress Monitoring (Study and Act)	Funding	Title 1 Plan (NA if not applicable)
HMS had 64% Proficient/Distinguished in Reading and 50% in Math.	By Spring 2021, HMS will increase the combined percentage of Proficient/Distinguished students in Reading & Math from 57% to 60%.	KCWP 3	-PLC Work on congruency between standards and assessment.	-PLC work to analyze data from formative assessments and summative -Re-teach standards not mastered during remediation time	\$0	-Title 1 Evaluation Survey administered Spring 2020 -Title 1 Conference Night Spring & Fall 2020 -Title I Parent Orientations Fall 2020 -Title I Instructional Assistant provides
HMS had an average attendance rate of 94.8% during the 2018-2019 school year.	By December 2021, HMS will have an average attendance rate of 96%.	KCWP 6	- Attendance PLCs -Personal phone calls for absences -Attendance rewards	-Monitor chronic absenteeism -Monthly attendance reports will be analyzed by grade level teams	\$0 Partner with local businesses for rewards	- support during classes

Separate Academic Indicator (3 year target)

SAI Goal - Increase the SAI Index from 66.2 to 79 by Spring of 2023, as measured by KPREP.

Objective (Plan-Validate need w/data)	Measure of Success (outcome)	Strategy (KCWP and DO)	Activities (Do)	Progress Monitoring (Study and Act)	Funding	Title 1 Plan (NA if not applicable)
HMS had a combined average of 55% Novice/Apprentice in Science and Social Studies	By Spring 2021, HMS will decrease the average % of Novice/Apprentice in Science and Social Studies to 45%, by focusing on the short answer responses.	KCWP 2	-Live Scoring for Short Answer Responses will be conducted through Science and Social Studies classes -Students will be taught correct usage of short answer rubrics to self-score their writing	-PLC monitoring of short answer response data	\$0	-Title I Instructional Assistants provides support for students in Science, Social Studies, and Writing.
HMS had a combined average of 94% Novice/Apprentice in On-Demand Writing for Students With Disabilities. By Spring 2021, HMS will decrease the average % of Novice/Apprentice in On-Demand Writing for Students With Disabilities to 60%.	KCWP 2	-Students will be taught correct usage of on-demand rubrics to self-score their writing -Students will be taught pre-writing strategies to break apart the prompt	-PLC monitoring of writing data -Implement SRSD support for Tier II Writing	\$0		

Measurable Gap Goal	Strategy Chosen to address	Activities chosen to	Person Accountable
By May 2020, the percentage of Students With Disabilities scoring Novice and Apprentice in Reading, according to CASE data, will decrease from 72% to 60%.	KCWP 4	KCWP 4	Principal

2020-21 Phase Three: Executive Summary for Schools

2

2020-21 Phase Three: Executive Summary for Schools

. Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Hebron Middle School has a student population of approximately 530. The free/reduced lunch percentage is 50%, with less than 2% being ESL students. Hebron is the home of the Discovery School, a STEM based school that focuses on students of high potential and academic ability.

. Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Hebron Middle School's Mission Statement is: Developing Learners and Leaders; Building Relationships, Respect, and Perseverance. This Mission Statement is tied into our school culture both within the classroom and within our extracurricular activities. The building wide expectations are PANTHER: Prepared, Action Oriented, Necessary, Think, Honor, Effective Communication, and Reflect.

. Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

In the last 3 years, our percentage of students scoring Novice in Reading and Math have drastically decreased. Our Social Studies scores have been strong over that same time. Our Writing scores have been inconsistent, with our latest scores showing a high percentage of Apprentice students.

. **CSI/TSI Schools (including ATSI) Only:** Describe the procedures used to create the school's improvement plan and briefly state the specific efforts to address the causes of low student performance and resource inequities.

N/A

. Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

Questions Related to the Adoption and Implementation of the Emergency Plan	5

2020-21 Phase Two: School Safety Report

School Safety Diagnostic for Schools

Pursuant to KRS 158.162, the local board of education shall require the school council or, if none exists, the principal in each school to adopt an emergency plan that must be utilized in case of fire, severe weather, earthquake, or a building lockdown and that: establishes evacuation routes; identifies the best available severe weather zones; develops earthquake protocols for students; and, develops and adheres to practices controlling access to the school building. The emergency plan shall be annually reviewed by the council, principal, and first responders and revised as needed.

In addition to the emergency plan requirements in KRS 158.162, KRS 158.164 requires the local board of education to direct the school council or, if none exists, the principal in each school to establish procedures to perform a building lockdown and to invite local law enforcement to assist in establishing lockdown procedures.

KRS 158.162 also requires the emergency plan be discussed with all school staff prior to the first instructional day of the school year and provided, along with a diagram of the facility, to appropriate first responders. Further, the principal in each school shall conduct, at a minimum, the following emergency response drills within the first 30 instructional days of the school year and again during the month of January: one severe weather drill, one earthquake drill, and one lockdown drill. In addition, required fire drills shall be conducted according to administrative regulations promulgated by the Department of Housing, Buildings and Construction.

Questions Related to the Adoption and Implementation of the Emergency Plan

1. Has the school council or, where applicable, principal adopted an emergency plan in accordance with local board policy and in compliance with the specifications in KRS 158.162(3)?

If the answer is "no", please explain in the comment box. Please note that Senate Bill 1 (2019) amended KRS 158.162(3)(d) to require, for example, classroom doors remain closed and locked during instructional time as well as classroom doors with windows be equipped with material to quickly cover the window during a building lockdown. Schools are encouraged to comply with these changes as soon as practicable but, if needed, have until July 1, 2022 to fully implement. Accordingly, failure to comply with KRS 158.162(3)(d), as amended, should not be reported herein until the 2022-2023 school year and beyond.

Approved at September 8, 2020 SBDM Council Meeting

2. Has the school provided local first responders with a copy of the school's emergency plan along with a diagram of the school as required by KRS 158.162(2)(b)?

If the answer is "no", please explain in the comment box.

Yes

3. Has the school posted primary and secondary evacuation routes in each room by any doorway used for evacuation as required by KRS 158.162(3)(a)?

If the answer is "no", please explain in the comment box.

Yes and each route is a specific color. Each poster is also a specific color.

4. Has the school posted the location of severe weather safe zones in each room as required by KRS 158.162(3)(b)?

If the answer is "no", please explain in the comment box.

Yes, with the locations being in a specific color.

5. Was the school's emergency plan reviewed following the end of the <u>prior</u> school year by the school council, principal, and first responders and revised as needed as

required by KRS 158.162(2)(c)?

Please provide the most recent date of review/revision of the school's emergency plan in the district in the comment box. If the answer is "no", please explain in the comment box.

Yes.

6. Did the principal discuss the emergency plan with **all** school staff prior to the first instructional day of the <u>current</u> school year and appropriately document the time and date of such discussion as required by KRS 158.162(2)(d)?

Please provide the date the school completed this discussion in the comment box. If the answer is "no", please explain in the comment box.

Yes. This happened on Opening Day, August 17, 2020.

7. During the first 30 instructional days of the <u>current</u> school year, did the principal conduct at least one severe weather drill, one earthquake drill, and one lockdown drill as required by KRS 158.162(5)?

If the answer is "no", please explain in the comment box.

Yes. Drills were conducted on October 21, 2020 with all in-person students.

8. During the month of January during the <u>prior</u> school year, did the principal conduct at least one severe weather drill, one earthquake drill, and one lockdown drill as required by KRS 158.162(5)?

If the answer is "no", please explain in the comment box.

Yes.

9. Over the immediately preceding twelve months, did each school within the district conduct fire drills in accordance with administrative regulations promulgated by the Department of Housing, Buildings and Construction as required by KRS 158.162(5)?

If all schools in the district did NOT meet the requirement, respond "no" and please explain further in the comment box.

Yes. HMS conducts all drills according to KRS 158.162.

2020-21 Phase Two: School Assurances

Introduction

Assurances are a required component of the improvement planning process (703 KAR 5:225). Please read each assurance carefully and indicate whether your school complies by selecting the appropriate response (Yes, No or N/A). If you wish to provide further information or clarify your response, space for comments is provided. Comments are optional. You may upload any supporting documentation as needed.

Teacher Performance

1. The KDE focuses on promoting equitable access to effective educators for all students, including minority students, those experiencing poverty, English learners and students with disabilities. Therefore, all districts and schools are charged with ensuring equitable access to experienced and effective educators. The Every Student Succeeds Act (ESSA) requires each school to report data regarding ineffective teachers. An ineffective teacher receives a summative effectiveness rating of "ineffective" as determined through the local performance evaluation system that meets the requirement established by KRS 156.557. An ineffective teacher consistently fails to meet expectations as determined by a trained evaluator, in competencies identified as the performance criteria in the Kentucky Framework for Teaching.

Due to the passage of Senate Bill 1 (2017), the measure and method for collecting teacher and leader effectiveness data was adjusted to fulfill the state law regarding district reporting and data collection. Number of students taught by ineffective teachers is self-reported by each school, in aggregate, by subpopulation. Names of ineffective teachers are not provided/collected.

Responses to this assurance will be collected in the <u>Kentucky Equitable Access to Effective Educators Survey</u>. Responses to each survey question should be based on data from the 2019-20 school year. This survey collects data on ineffective teachers only. Data on inexperienced and out-of-field teachers is collected using the EPSB identification number provided in Infinite Campus. Please be sure all teachers have an EPSB number on file.

Once you have completed the survey, return to the 2020-21 Phase Two: School Assurances diagnostic to certify that your school has completed the survey and to complete the remaining assurances on the diagnostic.

I certify this school has accurately completed the <u>Kentucky Equitable Access to</u>
<u>Effective Educators Survey</u> by opening the survey link, entering all requested information, and submitting the completed survey as directed. I also certify that all certified staff members have an EPSB number entered in Infinite Campus.

COMMENTS

9. The school regularly monitors the implementation and results achieved by the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement. The school determines whether the schoolwide program has been effective in increasing the achievement of students in meeting the challenging State academic standards, particularly for those students who had been furthest from achieving the standards. The school revises the plan as necessary based on student needs and on the results of the regular monitoring, to ensure continuous improvement of students in the schoolwide program and to ensure that all students are provided opportunities to meet the challenging State academic standards, as required by Section 1114 (b)(3) of ESSA and 34 CFR 200.26.

2020-21 Phase One: Continuous Improvement Diagnostic for Schools

The **Comprehensive School Improvement Plan or CSIP** is defined as a *plan* developed by the school council, or successor, and charter schools with the input of parents, faculty, and staff, based on a review of relevant data that includes targets, strategies, activities, and a time schedule to support student achievement and student growth, and to eliminate gaps among groups of students.

The comprehensive school and district improvement plan process is outlined in 703 KAR 5:225. The requirements included in the administrative regulation are key components of the continuous improvement process in Kentucky and ultimately fulfillment of school, district, and state goals under the Kentucky State Plan as required by the Every Student Succeeds Act (ESSA).

While the regulation outlines a timeline for compliance purposes, the plan itself is a strategic and proven approach to improve processes and to ensure students achieve. The timeline for the school's 2020-21 diagnostics is as follows:

Phase One: August 1 - October 1

Continuous Improvement Diagnostic for Schools

Phase Two: October 1 - November 1

- The Needs Assessment for Schools
- School Assurances
- School Safety Report

Phase Three: November 1 - January 1

- Comprehensive School Improvement Plan
- Executive Summary for Schools
- Closing the Achievement Gap Diagnostic for Schools
- Professional Development Plan for Schools

Phase Four: January 1 - December 31

Progress Monitoring

As principal of the school, I hereby commit to implementing continuous improvement processes with fidelity to support student achievement and student growth and to eliminate achievement gaps among groups of students.
