Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (\*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

## Academic Performance

How are students performing academically?

**Assessment Results** >

Students are assessed in grades 3-8 and 11 in a variety of subjects on tests that were developed by Kentucky teachers. Students in grade 11 also take a college admissions exam. For each subject assessment, students are ranked as either Distinguished, Proficient, Apprentice or Novice. Comparisons may be made between school and district performances based on these performance scores.

**State assessment results are limited**

Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (\*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

## Educational Opportunity

What educational opportunities are available to students?

### Advanced Coursework >

Student participation in advanced level courses, including Advanced Placement (AP), International Baccalaureate (IB), Cambridge Advanced International (CAI) and Dual Credit.

### Gifted and Talented >

Student participation in Primary Talent Pool (K-3) or formally identified for the Gifted and Talented Program (grades 4 - 12).

### General Education Coursework >

Course offerings and enrollment in select courses, including: visual and performing arts, cultural studies and/or world languages, practical living - health and physical education, and career studies.

### Career and Technical Education >

Career pathway opportunities available for students and career and technical education (CTE) student objective counts and percentages. For more information regarding CTE student objectives, please see the glossary.

Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (\*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

## Transition to Adult Life

How prepared are students for what comes next?

### Graduation Rate

Graduation Rate indicators include high school graduation rates, advanced coursework success, dropout and retention.

## Transition to Adult Life >

Transition to Adult Life indicators include information about how many students are involved in continuing education, employment or military service after graduation.

## 4 Year Graduation Rate By Ethnicity ⓘ

**Data Unavailable**

Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (\*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

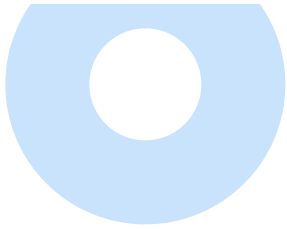

## School Safety

How safe is this school?

## Safety >

Indicators of school safety include behavior events, resolutions and legal sanctions reported by schools, as well as precautionary measures in place to promote the safety of students in schools.

## Students With Behavior Events ⓘ

Have Behavior Events
