Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

Academic Performance

How are students performing academically?

Assessment Results

Students are assessed in grades 3-8 and 11 in a variety of subjects on tests that were developed by Kentucky teachers. Students in grade 11 also take a college admissions exam. For each subject assessment, students are ranked as either Distinguished, Proficient, Apprentice or Novice. Comparisons may be made between school and district performances based on these performance scores.

State assessment results are limited

Data is displayed to the extent available for public reporting and is reflective of the student population. To protect the privacy of an individual student's identity or performance, the data tables include an asterisk (*) to indicate insufficient data. If no data is displayed, the data is unavailable for the year or population.

Educational Opportunity

What educational opportunities are available to students?

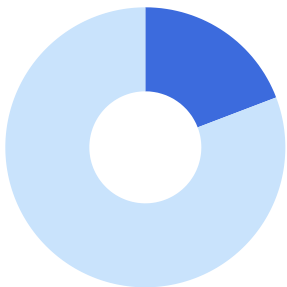

Gifted and Talented >

Student participation in Primary Talent Pool (K-3) or formally identified for the Gifted and Talented Program (grades 4 - 12).

General Education Coursework >

Course offerings and enrollment in select courses, including: visual and performing arts, cultural studies and/or world languages, practical living - health and physical education, and career studies.

Gifted And Talented ⓘ

- Gifted and Talented
19.2%
- Not Identified as Gifted and Talented
80.8%
